UPDATE FOR IHC MEMBERS

IHC Presidents Report – 3rd June 2020

Management of Club Rides and Activities

With the government easing the restrictions associated with the Covid-19 Pandemic the club committee has reviewed our activities and has agreed that along with weekday and impromptu rides, all Sunday rides and general meetings etc. will re-commence as from 14th July, 2020 as previously planned.

Noting the following requirements:

The person organizing the ride will record the names of all riders, to avoid passing around the indemnity form and sharing pens etc.

Social distancing and maximum numbers as defined by the government requirements are adhered to.

Until further easing of social distancing requirements there will be a maximum of 60 members allowed in the club rooms for the meetings any excess numbers will have to remain outside, hand sanitiser will be available at the door and supper will not be provided.

With many of our club members defined in the “at risk” category it is important that we take small steps forward and all necessary precautions to prevent harm to any of our members and their families, with that in mind if you are aware of any member (s) who needs help or support during these times can you please let a member of the committee know so we can provide assistance to them.

It is great to get some form of normality back again and really looking forward to catching up with you all at the general meeting in July.

IHC AGM

A reminder that the AGM will be held on to the 8th September 2020.

Club Committee Positions

In reviewing the committee positions ready for the AGM, the committee positions of the “Dating Officer and Licensing Liaison Officer” role has changed over the years and as such will be reviewed in line with the current and future requirements.

Lease Extension

The Bunbury City Council and the IHC have recently renewed the 5-year lease over the land associated with the club shed.

Historic Vehicle Stickers

Currently when a vehicle (motorbike) is examined and passed by the club machine examiner, they are provided with a yellow historic sticker free of charge. A cost of \$5.00 is incurred for each additional sticker.

Please continue to keep safe

Regards
Bill Pike

Peter has contacted me re selling off his remaining Norton stuff. health issues. you know the story. The big-ticket items are 920 barrels and matched head, ported and polished with valve gear to suit. both are new I believe. No pistons. Also 850 headers (with balance pipe) new, I think. S type headers and shorty mufflers. not sure if new. There is also some tools and other spares, not sure what though.

He is aiming to sell all as a package deal, not interested in splitting and mentioned the figure

of \$2000. He is not at all well and has not got the energy for “just looking” sort of buyers so if the above sounds you think maybe get back to me and I’ll send you his number. (he lives in Bellevue)
