Eric highlighted issues that were discussed at the Committee Meeting 17<sup>th</sup> February 2016 in Bob's absence.

**Richard was going to check the Key Register to make sure those with keys to the**

**shed really needed them.**

The constitution rules say that only one Machine Examiner can be on the Committee so Ray Buck has resigned to allow our new Machine Examiner Murray Rudler to take his place. Ray is still a licenced examiner but examinations will now be done at Murray Rudler's premises in Boyanup.

**The Act for The Proposed New Constitution comes into play on the 1<sup>st</sup> July 2016, and we have 3 years after that date to comply with the new rules.**

Matt Cook has donated 2 new tyres for the club trailer, and he will come down on Friday afternoon and arrange to have them fitted in time for the 2 Day Rally.

**Nomination fees will need to be increased for the 2 Day Rally from 2017 to cover the cost of running the event.**

It has been decided not to carry the wide brimmed cloth hats anymore because of the lack of demand for them.

**The Cloth Badges and Metal Historic Plates for bikes will also be discontinued, but Glenda will keep a minimum of 25 stick on Historic Badges in stock for the 404 concessionally licenced bikes.**

Eric also stressed the importance of including Back-up drivers and their mobile phone numbers to route sheets in case of any accidents or breakdowns.

### **CAPTAINS REPORT**

#### **Midweek PM Ride 10-2-2016.**

Due to heatwave conditions it was unanimously agreed to cancel this ride.

#### **Examination Day 14-2-2016**

Everything running ok until it was discovered there were NO SAUSAGES for the sausage sizzle and here we were with rolls, butter, sauce and onions. Unfortunately a mix-up at butchers left the Club minus their order, never fear though, our fearless secretary saved the day by going to the Supermarket for some so Bob M. was able to practice being "MasterChef" of the day.

## **Busselton Midweek AM 17-2-2016**

### **26 Riders 4 Passengers**

Brian Green organised today's ride to Tathra Winery Nannup for morning tea. Group from Bunbury meet up with Busso's at the intersection of Vasse Hwy & Ludlow/Hithergreen Rd whereupon we all headed for Nannup led by Brian. Turning into Nannup/Balingup Rd we travelled up hill and down dale on winding road to reach winery where a fantastic morning tea of fresh brewed coffee and tea with scones direct from the oven with jam & cream was served in beautiful surroundings complete with grazing kangaroos.

Originally Darryl & Brian planned to continue onto Balingup but winery owner advised roadworks in progress so majority of group decided to return the same way as we came.

Ross & Faye C. Kay P. and Dave L. travelled to Balingup which Dave advises had a lot of "Lucky" stones on edge of road "Lucky you didn't fall off" John & I travelled via Cundinup Rd to Kirup. Great ride and venue thanks to Brian and winery owners for making ride & morning tea possible.

It transcribed later that 2 Busso's had missed the winery and ended up in Balingup, also Diesel Dick was coming to show off his "new" bike which unfortunately had a flat battery that morning.

## **Midweek AM 24-2-2016**

### **18 Riders 1 Passenger**

I planned today's ride to Bridgetown even knowing roadworks at Donnybrook, with Muriel M. & Margaret G. we departed at 0830 giving us plenty of time to reach destination and prepare morning tea WRONG.

We were still sitting at the roadworks at 0930 expecting the bikes to pass us, eventually got our turn only to encounter 2 more sets of roadworks before Bridgetown and horror of horrors on the actual Blackwood River Bridge.

Finally reached our meeting spot beside the river where Doug from Manjimup was already waiting, to save time we set up urn etc. in the carpark. Busso boys arrived about 5 minutes later followed by Bunbury group, including "Diesel Dick" this time, who had had a better run than us. Thanks to everyone who didn't mind waiting a bit for hot water and special thanks to Muriel & Margaret who I couldn't have managed without.

## **Two Day Busy Bee 5-3-2016**

Thanks to willing helpers who turned up for the busy bee. Unfortunately, I was too busy to do a headcount but we think there were about 20 members who participated in the clean-up. The whole operation was finished by 0930, time for tea, coffee and chinwag for another hour.

## ***PLEASE NOTE***

There appears to be a bit of consternation and confusion following discussion at the February Meeting regarding PM Midweek rides. I was decided that in the months of JANUARY & FEBRUARY, the hottest months, the Midweek PM Ride will become an AM ride. This will not come into effect until 2017

## **LIBRARIAN'S REPORT**

The Entry fee for those displaying vehicles is a gold coin donation, and for people just going for a look at the displays it is \$10.00.

The displays will include all types of vehicles and there will be lots of memorabilia and films being shown.

### **PROPERTY OFFICERS REPORT**

Nil to Report.

### **LICENSING LIAISON OFFICERS REPORT**

Jeff said a total of 230 bikes have been examined but there are still 135 outstanding, which are now in breach of the constitution.

### **Helmets**

If you are thinking of buying a new crash helmet, then be aware that on 27<sup>th</sup> November 2015, the Commonwealth Minister for Small Business and Assistant Treasurer, the Hon Kelly O'Dwyer, revoked the safety standard for protective helmets for motor cyclists.

This has removed the requirement for all helmets to have the 1698 Australian Standard certificate before they can be sold or used in Australia. The new requirement is the EU 22-05 standard.

If you look inside on the strap it will have a circle E1 or other E number (I have a helmet that is approved by MA for racing that has E4 on the chin strap). Some States have already mandated the use of these helmets on the road so I suggest you check if you State is up to date, at present QLD does allow their use.

I was recently in a Melbourne motorcycle dealership that was having a sale on helmets, and when I enquired about this I was told that because of the Federal Law change it is possible to import and use a helmet from Europe for a lot less than previously possible.

So if you want a new helmet check first and you could save yourself a lot of money.

The ongoing saga of the over 85 Age Debate still continues to grow moss. We have a stronger support from Labour Ministers than we do from the Liberal Ministers, and they are all saying if you don't like what is going on change the Government.

It is not the law that we have to change it is the policy, and with enough pressure the Minister for Transport could change that at the drop of a hat. Sally Talbot the Shadow minister for Police is showing her support, and she has directed her policy staff to look at the legality of it and why Mr Nalder is not doing anything about it.

Motorcycle owners have an advantage over car owners with the Concession 404 Legislation, because car owners are unable to get their vehicles licenced until the Legislation is changed. Car owners have been waiting since 2011 for the Legislation to change.

Jeff has had notification from the CMC that Clubs have to advise the CMC of any un-financial members, and he now has the sad duty of reporting 4 of our members who have let their, membership's lapse.

### **WEBSITE MANAGER REPORT**

There is now an Incident Report Form available on the documents page of the website. This form is used to report any accidents or incidents that occur during a club event. The documents page also includes other forms and documents that can be used by club members as well as back issues of Classic Vibrations and magazines from other motorcycle clubs.

### **GENERAL BUSINESS**

Jack Lewis said although the Mandurah Meander was down on numbers this year those who attended had a really good weekend, and those who didn't attend missed out.

Mandurah members appreciated the support from the Bunbury members who attended. Saturday the run went along the coast to finish at Fairbridge Farm for a night of fine food, beverage, and frivolity.

On Sunday after a beautiful breakfast of bacon and eggs prepared by Alan and the boys we meandered back along the scenic estuary route and called in at a Premier Holden Car Display along Pinjarra Road, and then to Macca's to see his collection of motorcycles and had a beautiful morning tea. The Bunbury riders peeled off from there and made their own way back to Bunbury.

On behalf of the Bunbury members who attended thank you for a fantastic weekend, we can't wait till next year's Meander.

Jack then introduced Clive Marwick who is a new member from Mandurah. Clive has been into motorbikes since he was about seven and has owned and regrettably sold a lot of bikes over the years. He now has a number of projects he is working on and hoping to have one going for the Albany Hill Climb on 5<sup>th</sup> & 6<sup>th</sup> November 2016.

Leith has contacted Neville Wilson to see how he is going and apparently he is still having trouble sitting down so is unable to come to a meeting, but he is hoping he will be able to manage to get to one in a couple of months.

Terry Germain brought along a large Harley Davidson hard cover book, and a carburettor he is donating to be raffled at the 2 day Rally. Terry still has route sheet holders available for sale, if anyone needs them.

Glen Britza will open the gates of the Club at 8.00am Friday to let people in for the final set up for the 2 Day Rally.

Clem Harvie has kindly offered to donate an 18kva generator which he will deliver at 3.00pm on Friday for the 2 Day Rally. The

hundred dollar note raffle was won by Paul Whalen.

Ray Jordan auctioned a Leather Jacket which was purchased by Terry Germain for \$5.00.

## **HART FAMILY AT THE 2016 TWO DAY RALLY.**

The Hart family and friend Clint presented at the 2016 Rally as Stormin' Norman & The Crusaders .Complete with Matching T Shirts( Thanks to Stacey ) Norm had the 1936 Harley outfit, Fil Hart was to ride the 1956 B.S.A. C12 Clint rode Norm's 1955 Matchless 3GL Ryan rode Norm's 1942 Harley, Dave was on his 1967 B.S.A. B40GA Ben rode Ryan's Bridge-stone Stacey rode her Bultaco Ken and Shak rode on Ken's 1951 B.S.A. Gold Flash.

Well things do not always go to plan. The ignition key on the C12 broke Saturday morning so Fil was Navigator for Norm in the Harley. The Harley broke down at Donnybrook as the battery dropped a cell, so back home again and out came the Ural outfit.

Sunday Stacey lost a front engine bolt on her Bultaco. The clutch on the Bridgestone became a little touchy. So a rearrangement of bikes was called.

Norm and Fil rode in the Ural outfit. Stacey changed to Ryan's Yamaha 400 two stroke. Ben changed to Ryan's 1966 A65 B.S.A. The Matchless, 1942 Harley WLA and the B.S.A. Gold Flash proved as reliable as ever. The A65 also ran well.

The 1967 B.S.A B40GA model had been retrieved from the eastern States to Ryan's house where Ryan and his Father in law Steve Turner checked it over and generally prepared the bike for the rally and YES it ran like clockwork also.

Some of the bikes had not been in a run for some 6 years. The whole family enjoyed the weekend and are still in the clouds, breakdown oil leaks, adjusting clutches and what ever.

Fil has now obtained a 1972 Honda CL175E to ride in future rallies. At the end of the day we had to return Ben to Perth for University. Ken had to go back to Noosa. Shak to Perth Ryan flew out to Port Hedland and Dave and Fil returned to Broome, Stacey, Norm and Clint stayed in the area. Margaret missed the ride this year but was at the club on Sunday. She is recovering from surgery .

Regards to all.

**SEE YOU ALL NEXT YEAR**
