1927 AMAC 1000cc

This bike is a special built in Perth WA by the late Peter Smith in the mid 1990s,

The frame & 3 speed gearbox are 1927 AJS, Peter couldn't get hold of a correct AJS 800cc V twin engine, so he grafted in the Matchless V2 s/v 1000cc V twin engine of the same period that my dad Ray Oakes had under his bench, between them the AMAC was born.

I purchased the bike in 2004 from Peter's widow Jan, since then I have fitted a cush drive rear wheel and a mechanical oil pump, It ran well for years until running lean it holed a piston, this was the start of a full engine rebuild in approx 2015, it now runs a Ron Morrison big end, new valves and pistons, magneto was rebuilt in NSW and the carby re sleeved in Bunbury.

It has been an easy to start sweet running vintage bike ever since, Regretful sale due to ongoing back issues (its rear suspension & electric start for me these days) I would like it to stay in WA if possible.

Busseton Mob Mid Week Ride : 17th March 2021

The previous record number of Busso Mid-Week riders – Now Smashed. Some 35 fronted for this week's ride. The great weather probably helped and maybe the promise of good coffee at Yahava. Whatever, fantastic to see so many old and new faces.

The destination was Yahava Koffee at Margaret River. The route; about 92klms including some good twisty bits before hitting Caves Road. A leg/bum break was allowed near the Grace Town turnoff, then more of Caves Road, a skip-through the Margaret River/Prevelly turnoff and a back-road entry to the destination. No one got lost, all credit due to improving corner-marking skills. Thanks again to Phil Bussanich for being our Tail-End-Charlie. A slow-to-start bike was his only problem.

Our next ride will be an impromptu affair – 31st March – as 3 weeks to the scheduled ride on 7th April is too much for some to bear. Phil has offered to lead this ride but it would be nice if another "volunteered". Spread the workload etc etc.

Bunbury Mid Week AM Ride 24-2-2021

15 riders & 2 on pillion with David (not Captain Dave) our ride leader, set off on a warm fine summers day up to Waroona for our morning tea stop at the bakery. First time to that bakery for me & I was pleasantly surprised.

All back roads to Waroona via Govt Road etc, some being the first time travelled on for me, but all good & nice & quiet. After morning tea, some went home but half a dozen riders carried on to Dwellingup on Nanga Road. A very pleasant windy road through the forrest & stopped at the Blue Wren Cafe for lunch & more talking. Some had a lot to say & the food was good as well.

After lunch, most headed over to Pinjarra & then down the highway back home.

John De Filippo

Bunbury Mid Week Ride 27th January

A nice cool day and a good turn out this ride we went to Donnybrook Via Collie, Preston valley store to Charlie Creek Road and into Donnybrook.

First regroup at Southwest HWY before going into Henty Rd from a scenic ride along Pile road in Collie turn right and head to Munbalup pub and a stop at Preston Valley store. I was surprised not many took up the stop and headed straight to Donnybrook Bakery. The second group caught up when the early riders were now leaving. After lunch we headed to see Michael & Andrew to see how they are going told stories and went home. All up a good day out. **DAVE LIND**

Busselton Mob Mid Week Ride 3rd March 2021

A good roll-up considering the expected wet weather – 23 riders signed on. As it turned out, we didn't experience any rain to our destination, but maybe a few riders picked up a light shower or two on the homeward leg.

The route to The White Elephant café took in some great backroads. And I always enjoy the popular Caves Road stint despite the risk of holiday traffic. So be it, we can't expect to keep all the good stuff to ourselves. Unlike the last visit to this café, it got the orders correct and I actually got a coffee this time round.

Riders took various return home routes, but a few of us ended up at the Beer Farm, just by chance of course.

Thanks to Phil Bussanich again for being our Tail-End-Charlie.

Not the Coastal run 7th February

Well it seemed a good idea at the time beautiful weather, the threat of cyclones just fizzles out, so I got a run organised. What a wet day that was only JC turned up so we went for a ride, awesome country side but a bit windy. Which pushed JC and his chair around got to Margaret River had a cuppa and headed home to test out our wet weather gear.

Captains Report March 2021

Mid week ride 10th February

A combined Busso, Bunbury and turtles went to the same morning tea stop a good turn up over 60 bikes. No rain today and the turtles got there first. Starting from Eaton hall got to Boyanup Fethlers park where we waited for the Busso boys to turn up. From there we went Hurst Rd through Donnybrook, Sandhills Rd and ended up on Grimwade Rd and stopped at Balingup. Next stop was Nannup and return through Kirup and Ferguson Valley. All up a good day out on the bikes.

Valentines run 14 February

One week what a difference as this weekend was pencilled in for another run that was postponed and fell on Valentine's day. JC said we should wait for the rain. But we went ahead anyway. Meeting up at Capel then next bound to Balingup for a cuppa and tell stories. We headed off to Manjimup to Tim's shed to see his collection but his shed is awesome a proper bike house bathroom, kitchen, bedroom and the bike area. After this we went to Bridgetown to celebrate Valentines day at the Cidery. Always good value with some back ground music made a

pleasant afternoon. Thanks to Dan for organising the run and Tim for opening his shed. Another good day out.

Busselton midweek ride 17th Feb 2021

Another good turnout for Busselton crew, today's ride to Collie via Donnybrook and some of the Busso boys to try out the Forrest-Wellington Rd tarred maybe 8 months ago but still a good road to use. Along the way picking up people from Capel and Donnybrook and heading to Preston Valley store and using the Forrest-Wellington Rd to get to Pile road from there we went to Wellington dam to see the murals on the dam wall. Then headed to Collie for a cuppa and tell some stories then go back down Pile road, and back home all up a good day out. JC went to Dardanup bakery to have a cuppa with Pat Malone.

Mandurah Meander 21st February

Another run done and dusted. Definite a meander to Greenhills Inn it was good to see new countryside. But even better to rest at the Greenhills Inn. Some people did some extra miles as the route sheet people ignored but hey it was a good day for a ride and always top up the bike so you don't run out of fuel. We never made it to Beverley for lunch but stopped at Wandering Pub which is a 1st for me and regrouped for the last leg of the day. It was funny seeing the publican sitting on his leather chair behind the bar and he was stuck there all the more started yelling to someone to book us in. All good Had a few drinks dinner then completed the quiz which is a Mandurah Tradition.

Next morning we had a change of heart and made a Bee Line to home which was still a good ride. All up a good weekend away. Thanks again to the Mandurah Mob for organising this run.

Two Day Rally 6th & 7th March

Done and dusted a good turn up from all clubs, with all this Covid nothing is taken for granted.

With all the rain taken out a few days before kept all the dust down. It was good to see nothing really changes with the lost piper deal you can get lost with company. The old story of people taking the wrong route sheet always good for a rib poking, at least no other motorcycle to compete with and no queue at the shops. But best of all looking at all the bikes around and seeing them making lots of noise. Thanks to all the people who made this happen as a lot of work goes into this event. See what happens next year.

DAVE LIND

Australia Day Run

Australia day run what a top day high 20's and a good turn out. The breakfast always good with some music in the back ground. 9 o'clock comes around and we have a riders briefing route sheets handed out. A nice stroll to Wellington dam Cafe to tell stories and have a cuppa. Next lots of twisty roads from Honeymoon pool to ironstone Rd. The only problem was plans were changed at the last minute so the stop was changed on the new route sheet, I'm sure no one listens at the riders briefing some people wanted to go the long version. Hey it was a top day for a ride even with a route sheet some people always do their own route. Another Straya day ride done.

DAVE LIND

Bunbury Mid Week AM 10th March 2021

Eight members fronted up for this ride. A little disappointing but not surprising considering the ride was not listed online until the day before. Feedback has got back to me that the ride was too long & hence people did not go. Well Bridgetown is 93 kms from Bunbury x 2 = 186 kms. The leg out to Donnelly Village for lunch being approximately 25 kms, was optional. The club tries to provide a variety of ride types, long, short & medium so as to cater for as many members as possible. Two of our members travelled all the way from Mandurah to attend & completed the full ride.

The ride along the highway to Bridgetown was horrendous. Four lots of roadworks, trucks, road trains & general traffic made it for me at least, a memorable journey. From then on things got better with a coffee & chatting at Bridgetown & then five of us did lunch at the Donnelly River Village Cafe. A pleasant surprise in a beautiful setting & the meals were great, no complaints.

After lunch we headed over to Nannup, then Cundinup Road to Kirup & then Ferguson Road back to Bunbury.

Members please note that there is an information flyer on the IHC online events page for 11th, 12th & 13th August next. It will be a three day hub event based at the Donnelly River Village. For non internet members, it will be advertised in Classic Vibrations for June, July & August & I will try to get to one of our general meetings & talk to you about it before the event date.

PRESIDENT'S REPORT

President reports that he, Steve Turner and Dan Talbot attended the February meeting of the CMC regarding the Department of Transport's proposed changes to Code 404 regulations.

Steve Turner spoke to the meeting during general business which is touched upon below under the Licencing Liaison Officer's Report.

The President spoke of his heartfelt thanks to all members for the successful running of the IHC 2-Day Rally. Michael said there was significant positive

feedback coming from visitors and members. Michael personally thanked many of the members who assisted with time and resources in helping the 2-Day Rally run smoothly. Well done to all who helped or participated in the rally.

Michael Rock
President

CAPTAIN'S REPORT

Neither the Captain, nor the Vice Captain were present however a number of members gave impromptu reports of recent events.

No written reports were available for inclusion here due to the Secretary's position being vacant (it is anticipated the reports will be available for publication in an upcoming edition of Classic Vibrations).

UPCOMING EVENTS

1. **Ross Eaton** announced the Turtle's Run that was scheduled to take place the following day – 10 March, 2021, and leaving from the Dolphin Centre at 09.00. Travelling to Burrekup via Dardanup, Wellington Mill, Wellington Dam, River Road, Piles Road. Ross said that future Turtle rides will be held on Friday so as to avoid clashing with the Wednesday events where members tend to ride more modern and therefore faster machinery.
2. The Hare's ride was scheduled for 10 March and was expected to travel to Bridgetown for morning tea followed by lunch at Donnelly River. Return was via Nannup, Balingup and the South Western Highway.
3. **Murray Rudler** addressed the meeting on the upcoming Norton Singles run, starting at Donnybrook, 10.00 am on Saturday 14 March, 2021, and running over the 14th and 15th. Murray said some 40 entrants had been received and he invited any members from the club to come down and join in the celebration of Norton singles.
4. **Darryl Warner's** Coastal Run was also scheduled to take place on 15 March, 2021 and is expected to be the last one put on by Darryl & Jenny who are stepping down as organisers of this event after a commendable 25 years in the position. It is hoped and anticipated another member will take up the role so that this ride can be progressed into the future.

It should be noted, both the Norton Singles Run and Coastal Run were rescheduled as a result of the February CV19 lock-down.
5. **John Lewin** is the coordinator for the Black Dog Ride, Busselton on 21 March, 2021. The ride commences in Kershaw Street, Busselton at 09.30 am.
6. **Steven Turner** addressed the meeting on the Holland Track, side-valve challenge. The event starts on 22 March, 2021 at Ardath and travels to Hyden and Coolgardie along unsealed roads. At the time of the meeting there were 10 entrants.
7. **John Keenan** addressed the meeting about the Easter Saturday display at the Donnybrook Apple Festival, 09.30 to 15.00 on 3 April, 2021. All club members on motorcycles, old and new, will be provided with free entry into the event. A member who wishes

to coordinate a ride from Bunbury to Donnybrook would be welcome.

on Thursday week (18 March?). Bert will send emails to all the volunteers ahead of the function.

GENERAL BUSINESS

1. **Phil Tyler** spoke about the 2-Day Rally from the perspective of a newcomer on a relatively modern motorcycle (an MZ?). Phil said he had a great weekend that he thoroughly enjoyed.
2. **Ray Buck** spoke about the 2-Day short course and how much he enjoyed it on his little Kawasaki. Ray observed the catering ran very well over the weekend, notwithstanding the challenges imposed by CV19 distancing and food preparation/delivery restrictions and regulations. Ray finished by praising the course selection and the fact that we had no accidents this year, and that 93 IHC members were listed in the program as participating.
3. **Michael Rock** thanked all those who helped clean up late into Saturday night, some of whom were still there at midnight on Saturday. Michael also commended the Bunbury Motorcycle Club/IHC partnership on the presentation of the track and surrounds, saying he has never seen them looking this good in over 20 years of attending the event.
4. **Michael Rock** said there is an opportunity for the club or individuals to take up to \$1,800 in flag marshal fees (at \$100 per person) at motocross club events. The events require 18 flag marshals. Three members present indicated they would be interested.
5. **Bert Sykes** reminded the meeting that the volunteer's function will be held

6. **Rob Harrold** made a special mention to Bert and Rose regarding the morning tea provided to Sunday participants at the Brunswick Pavilion

Licensing Liaison Officer Report

Steve Turner spoke about our recent attendance at CMC meeting in Perth to gauge changes to Regulation 404 and the impact those changes may, or may not, have upon the IHC as the new Concessions for Classics (C4C) scheme is implemented. Steve was dismayed to say the meeting did not yield much useful information due to the heated arguments that were taking place between interested parties and groups. It was to the credit of the CMC committee that they were able to maintain order and keep Regulation 404 relevant as C4C is implemented. It was the feeling of the IHC delegation Reg 404 is in good hands with the CMC and we should trust in their judgement as custodians of both 404 and C4C licensing schemes.

It was suggested at the CMC meeting on 15 February and again at the IHC meeting, to wait until after the WA State elections have taken place and C4C roles out before we need to take any further action.

Licensing Officer Report

Nil to report.

Editors Report

Nil to report.

Property Manager Report

All good, although Richard Clarke reports having ridden sweep for three-quarters of

the 2-Day rally with a pillion due to insufficient room in the backup cars. It was suggested (with tongue in cheek) future events limit the number of American motorcycles as they are evidently clogging the backup trailers.

Librarians Report

Amanda Bernhardt – nil to report

IT Manager Report

George Johnson – not present

AUCTION:

Female motorcycle jacket donated by Wendy Eastwell raised \$50.00.

Club shirts and cap donated by Mike Reeve raised \$60.00

There being no further business, the President declared the meeting closed at 21.10 hrs.

MEETING RECONVENED

At 21.12, the meeting was reconvened to confirm the resignation of Secretary John Keenan who took on the role with great enthusiasm at the last AGM and has put huge amounts of energy and his personality into the role. Unfortunately his circumstances have changed and we have sought nominations for this position. Doug Baker has nominated for the position and can take this up with the approval of members at a General Meeting.

Moved by John Clapp.
Seconded by Bill Pike.

That Doug Baker be elected Secretary of the IHC (Bunbury) Inc.

The Vote was unanimous in acceptance.

Welcome to Doug Baker, officially now the Secretary of the IHC.

Meeting closed

21.15 hrs.
