PRESIDENTS REPORT

Welcome to the IHC November 12th, 2019
General Meeting.

Summarising the salient events for the month and outcomes of the previous committee meeting:

Margaret River Show

A good turnout for the Margaret River Show last month with 17 bikes on display including Bob's TQ and drag bike.

A special thanks to Dave Sumner for bringing 4 bikes down and to Neville Green and Eddie Lang bringing the gear and providing back-up. It is of note that the traditional shire agricultural shows are starting to lose their popularity.

Entrance to Shrubland Park BMCC at Night

Due to the difficulties of associated with navigating the entrance to the BMCC at night, Bert has been coordinating with Main Roads and the BMCC to upgrade the visibility of the entrance road.

I can report that the committee has approved a 50% funding share with the BMCC for the erection of a Main Roads Approved illuminated sign at a total cost of \$1079.65

to be erected opposite to the entrance Gate, with the approval of the general membership.

Can I have someone propose that the IHC funds 50% of the cost of the sign and installation totalling \$540.00. Proposed by **Faye Carn**, seconded by **Phil Bussanich**. Carried.

Albany Hill Climb

Another great weekend of classic motorbike riding was held on the first weekend in November with the staging of the display on Saturday morning followed by a Poker run and the Hill Climb event held on the Sunday.

Our club captain David Lind was narrowly beaten for first place, well done David. The event was very well run, and all reports are that it will be held again in 2020.

The IHC committee has sent a letter of thank-you to the Albany VMC for conducting an excellent well organised weekend of events.

Calendar of Events for 2020

Leith Presland has provided a draft copy of the calendar of events for the 2020 year, a copy has been provided to all members of the committee for feedback and confirmation prior to loading onto the web site. Thank you, Leith.

LIBRARIAN'S REPORT

Ross reported that he was extremely happy to see Amanda back and to be able to hand the librarian position over to her.

PROPERTY OFFICERS REPORT

Richard reported that there was an issue with not being able to open the toolbox on the

club's new bike trailer.

He advised members who used the trailer and removed, then replaced items in the toolbox to ensure it could be opened and closed before locking it.

LICENSING LIAISON OFFICERS REPORT

Jeff reported that the audit of 404 licenced bikes was almost complete, with only 2 surveys outstanding.

GENERAL BUSINESS

Syd Taylor

Gave a brief talk on the recent Velocette Owners' Club of Australia Annual Rally, held recently at Hahndorf in South Australia, which he and Dick attended.

160 people and 120 motorcycles took part in the event, which was very well organised and went off without mishap, despite the terrible weather.

Syd professed to being envious of some of the bikes, which had been restored to a very high standard.

The 2020 rally will be held in the Busselton region.

Frank Barron

Reported on the Narrogin Mid-week Ride on 23rd October. He apologised for the actions of the local council, who tore up one of the roads only 3 days before the event.

Most people either went through the gravel or found an alternate route. Bob Mitchell went the wrong way, despite directions from Wilma and arrived half an hour earlier than planned.

Thanks to Margret & Neville Green for providing the backup and Bert Sykes for leading the ride.

Frank also reminded members that Mr Bob Greer of Platypus Charity would be a guest speaker at the next club meeting.

Bob would give a brief talk on the aims of the charity and the rides through Vietnam they organise.

Anne Offer

Asked the members present to remind their wives and partners that the cut of date for the Ladies Christmas Dinner was rapidly approaching and that those who wanted to attend should register their intention by the 19th November.

Peter Whiteside

Peter stated that there was no provision yet on the club provisional ride documents for recording the registration details of the bikes being ridden.

Bill Pike advised that this would be rectified in the very near future, and there was nothing to stop riders writing their registration numbers on the present form, even though there was no column for it.

Leith Presland

Advised the members that the midweek PM ride would be to Kirup, via Upper Capel Road in a reverse direction, which would probably mess with some people's heads.

Michael Rock

Reminded members of the Come & Try Day being held on Sunday 24th November. The focus of the day would be older girder fork and single speed bikes.

He also said that there had been 20 bikes on the Quindanning Ride. Government Road was very bumpy for ridged frame bikes, but over-

all it was a very good ride.

Murray Rudler

Advised members attending the Tiddlers Run on 17th November that the ride was approximately 60km, stopping in Capel for morning tea.

Murray had a commitment for the afternoon, so there would be no returning to his place after the rally had finished.

Also, there would be no power in Boyanup on the day, so people should ensure they carried any extra fuel they might need.

VIP Member Introduction

Michael Rock introduced our club president, Bill Pike, a man of many talents. Born and bred in Collie, Bill moved to Augusta when his father took up professional fishing, where he came to love fishing and diving.

He moved back to Collie and had started riding scrambles by the age of 12, progressing to a BSA C15 by the age of 15.

Despite a natural talent for scrambling, Bill found he enjoyed playing Aussie Rules Football more and the bikes went onto the backburner for a while.

He enjoyed a successful period in his life playing for Collie in the SWNFL but turned down the opportunity of playing for Swan Districts in the WAFL, choosing to get married instead.

Professionally he progressed from an apprenticeship at Muja Power Station to several high-powered positions in the power industry, including Station Manager at both Kogan Creek (QLD) and Collie Power Stations.

Though officially retired, Bill likes to keep busy with consulting work within the power industry.

His father rode a borrowed bike at the 50th Anniversary of the Bunbury TT in 2000, which inspired him to attempt a restoration on a 350cc Matchless G3LS.

He soon gave up on restoring the bike himself and handed it off to Bill, which was the start of Bill's ever-increasing collection of AMC motorcycles.

Melbourne Cup Sweep Results

The results of the sweep run by Glenda are as follows;

Horse	Winner	Company
Vow and Declare	TAG	IHC
Prince of Arran	Archer	Bunbury Pathology
Il Paradiso	Liina Kalmet	BHR Papalia
Rostropovich	Paul Self	Bunbury Plaza

Many thanks to all for participating.

AUCTION

Frank Barron auctioned an eclectic collection of bike bits and an old motor, for a total value of \$118.00.

There being no more business, the meeting closed at 9.00pm.

QUINDANING OVER NIGHT

PRE 48 RUN

Well it was set to be a big weekend with the Quindaning Pub fully booked out for this year's annual overnight Pre-48 Run.

We all gathered & left to follow the route through back roads to come out at Yarloop & then down the highway to Waroona.

The only minor breakdown was on Peter Lawson's side car outfit which ran out of fuel.

It was suggested that due to all luggage & his wife Sue in the outfit it was heavy on fuel, but it turned out that the main jet had unscrewed itself.

At Waroona we caught up with a group with bikes from the Early American Club who had ridden from Perth. We had 10 bikes from the IHC & 9 from various Perth clubs & 2 had passengers.

Next stop via the scarp & through Nanga Mill was the Dwellingup Tavern for a bike & bodily fuel up.

A handful of wives came in cars to also meet for lunch. There was a bit of fine tuning going on with a recently restored Vincent causing quite a crowd from the pub guests.

We were then on the road for a trouble-free run to Quindaning, except for a few locals & a couple of passers-by we had the whole pub to ourselves.

Most sat out under the big old palms & enjoyed a cool breeze for what was a quite warm day. A few kicked on into the late hours & up for a cooked breakfast in the morning.

Steve Turner dished out a few gifts for various rides & passengers creating a few laughs with

his special label port, & the Gov received a welding Helmet for putting in a great effort to do this run under a lot of pain.

We then headed back down the road for a few Kms then took the Darkin / Quindaning Rd & turned off back to Collie for a fuel up, then down through to Dardanup for lunch.

A big thanks to everyone involved especially Travis from Manjimup IHC for doing back up. (Next year is Augusta).

Thank you.

CAPTAINS REPORT OCTOBER 2019

Busselton Mid-week Ride 6/11/2019

Great weather flushed out 16 riders for this mid-week event. The destination; Balingup via Nannup, Brockman Highway, Maranup-Ford Road, Greenbushes and the SW Highway. Usual coffee and pies etc.

Dave Lind took the lead on the first part of the return journey to teach me the lower Grimwade Road to Kirup. Thanks, great, appreciated.

The Upper Capel Road etc back to Capel for lunch for some, split and home for the remainder. About 220Ks all up, a good day but the corner marking fell in a heap for the second leg. Hope no-one is still out there.

Thanks to Terry Bruce for being TEC.

John Lewin

Busselton Group Liaison Officer

Albany Hill Climb

It started off with rain & wind for Friday and trying to set up camp between showers, and at night running from the warm fire to cover when the showers soaked everything.

Saturday early shower then cool for the rest of the day as we went on the poker run, I went for the short run this year but still ended doing a longer route missing a few turns does not help but I got all 6 cards.

I saw Darryl won the race, got back 1st to the rifle range so to pick out a nice cake. Some people were headed to Jerramungup which would have been an extra-long ride.

Sunday hill climb day looking good but had drizzle for our practice runs but cleared up for the 1st timed run then opened with rain for lunch which made the road wet. But good to see the different bikes and the characters that ride them as well.

A good weekend well spent thanks to Albany club for putting on this event always appreciated for your work you put in.

Solo & Sidecar Run 20th October

A nice warm morning, time to run out to the Bunbury Motorcycle Club for a start. Not a bad turn up as so many events on this weekend a nice short run of 100kms.

With a halfway stop in Boyanup we meandered through Burekup and down Pile Rd and into Boyanup to the bakery where we told stories on how good we were. After a break we rode to Gelorup tried out the new bridge at the Bonking Frog Winery and back to the club rooms. Thanks John & Jan for this year's run.

Busselton Mid-week Run 16th October

Phil is the team leader for the day and took us to Augusta via the scenic roads, nice and sunny but still very cool.

A good turn up as the days are getting longer, we meandered through the bush still green and creeks with flowing water. First stop was a car park on Caves Rd so to regroup and tell stories. Then continued along Caves Rd heading to Augusta, rain was predicted but only wet spots were seen.

We made it to the bakery and proceeded to tell stories.

On the way back was still good country going through Rosa Brook and finding road works for a change. All up a good day out thanks Phil for stepping forward.

Dave Lind

ROARING TWENTIES RUN **4th- 5th APRIL 2020**
