PRESIDENTS REPORT

Bob highlighted issues that were discussed at the Committee Meeting 18th November 2015.

For those that wish to Camp at the BMCC on the weekend of the Two Day Rally they will have to supply their own Power.

Section #10 of the Proposed Constitution was discussed relating to Committee and Membership, with a few changes that would be implemented when the final draft is done.

Riders Licences

It is not up to the Captain or whoever is running the ride to check rider's licences. If they are made aware that someone is riding on an incorrect licence then they have a responsibility to act on that information.

The rider can then be told that they cannot ride because they do not have the correct licence and if they do not obey they should be reported to the police.

An updated indemnification form with **DECLARE THAT MY MOTORCYCLE IS CURRENTLY LICENCED AND ROAD-WORTHY AND THAT I HOLD THE APPROPRIATE DRIVER'S LICENCE FOR THE MOTORCYCLE I AM RIDING**

Name Signature Passenger's Name is on the website and Leith has also sent Busselton and Mandurah a copy. The Indemnification forms will be numbered after amendments are made so that members can be informed which version to use.

A motorcycle licence - "R" is needed for a Trike or Canam (see the response from Jeff's enquiry from DOT below) It was agreed that it is a good idea to inspect B class licenced bikes, but not the responsibility of the Club to inspect A Class bikes Jeff received the response below from the Department of Transport to his question of what licence is needed to ride a Trike or Canam.

Dear Mr Smith,

Thank you for your enquiry.

Please be advised, clients who have previously

sat their R-E or R class practical riding assessment on a 3 wheeled motor cycle and they have a restriction code 31 on their licence will need to re-apply for the R-E or R class to get the restriction removed, if they wish to ride a standard motorcycle.

If they already hold an R-E or R class with no restrictions, they can ride a 3 wheel motorcycle.

If you hold R-E driver's licence, the client must be riding a LAMS approved motorcycle with an engine capacity not exceeding 660cc and with a power to weight ratio not exceeding 150 kw/t (with foot or hand operated clutch).

If you hold an R class (open), a motorcycle with an engine capacity exceeding 660cc or a power to weight ratio exceeding 150 kw/t (R class holders can ride any motorcycle), this includes a three wheeled trike or Canam.

If the trike has been modified to fit a wheelchair, the engine capacity and the class of licence that you hold is still the same as above.

If you require further information please do not hesitate to reply to this email. Alternatively, you can visit our website, www.transport.wa.gov.au/licensing or call our Customer Contact Centre on 13 11 56.

CAPTAINS REPORT

Busselton Mid-Week Run Report 2 Dec 2015

It must have been a good day for a bike ride as 20 bikes turned up for the ride, 6 bikes from Bunbury and 1 passenger also 1 from Busselton. (Darryl had to be on his best behaviour, he had the boss on the back) there were 6 club eligible bikes. Darryl led us down Causeway Rd

up past Bunning's along Bussell Hwy into Queen Elizabeth Av, Rendezvous Rd, Kaloorup Rd, Hairpin Rd, North Jindong Rd, Bussell Hwy, Wildwood Rd, Yelverton North Rd, Yelverton Rd, Puzey Rd, Harmans Mill Rd, Tom Cullity Rd. Miamup Rd, to Cowaramup Town where we had a short break before heading down Bussell Hwy into Burnside Rd, Carter Rd, Caves Rd, Wallcliffe Rd to Prevelly for coffee and muffins and the usual chit chat.

The orders took some time to put in but the orders came out surprisingly quick, it was quite busy. We headed home along Caves Rd, (after a little tour around the Margaret River Mouth) Metricup Rd, Gale Rd, Jindong Treeton Rd, (this is where Darryl fooled us) Left into Payne Rd, (we all thought we should have turned right) North Jindong Rd, Hairpin Rd, Kaloorup Rd, Rendezvous Rd to Busselton.

A good enjoyable ride with nothing to report except I will have to learn to read the clock! I arrived at the start point an hour early?

Peter Whiteside

Midweek PM. 9-12-2015. 23 Riders 1 Passenger

The weather was very pleasant motorcycle weather, sunny & warm. 23 riders and 1 passenger were at the start at the Dolphin Centre, after socialising the ride leader for the day Neville G. informed riders that they would be going to Cowaramup and described the route to be taken.

Due to some riders becoming detached from the main group the previous midweek ride it was decided to try having a muster point where riders could re-group once outside the main traffic area of Bunbury. On this occasion the truck bay near Caltex service station at Gelorup was chosen. Eddie L. volunteered to be "Tail end Charlie" so the ride leader would know that when Eddie arrived everyone else

should also be there. After "Muster" the riders proceeded on Bussell Hwy, Busselton Bypass, and Queen Elizabeth Dr from where we took some interesting back-roads until coming out on Hwy just north of Cowaramup.

Once in town we stopped at local bakery/pie shop where we met up with Darryl Warner who had ridden from Busselton to meet us. A good time was had there and when it was time to leave Neville led the main group down the back roads while some chose to ride directly back on the Hwy.

I was late leaving due to pit stop luckily just behind Bernie who I followed because I knew he had an amazing knowledge of roads in this area. He led me on an interesting tour, eventually ending up in Busselton from where we travelled on Bussell Hwy home.

The weather was kind, an interesting afternoon with a nice bunch of people and some good motorcycling roads. Thank you to all who attended and also to the Captain for organising the route.

John Presland

Busselton Mid-Week Ride Report 16 Dec 2015

There was a good turnout for today's ride, no doubt helped by the weather. There were 18 bikes turned up, of which 6 were club eligible, and one passenger. Darryl lead us off along Layman Rd, Bussell Hwy, Ruabon Rd. Tutunup Rd to Capel then along Gavins Rd, Boundary Rd, Lowrie Rd, Southwest Hwy to Boyanup and along Boyanup Picton Rd, Bunbury Outer Ring Rd, Willinge Dr, Estuary Dr, Old Coast Rd, to Faye and Ross's place where we were made welcome by the Bunbury mob.

Here we enjoyed the most scrumptious morning tea you could imagine, those who didn't turn up really missed out.

On behalf of our group I would like to thank Faye and Ross for inviting us to their place for morning tea, it is a very nice and pleasant place to have morning tea, Thank you.

After a very memorable morning tea/lunch we returned home more or less by the reverse route taking in Moore Rd, Dardanup Rd and Railway Rd arriving in Busselton about 1:30 PM. It was a very good ride and we managed not to lose anyone or have any mishaps.

Peter Whiteside

Midweek AM. 16-12-2016 30 Riders 2 Passengers

Today was a combined ride with Busselton & Mandurah for a Christmas chinwag, this year at Faye & Ross's. Bunbury riders travelled Dardanup West, Dardanup, and Ferguson Valley to Leschenault. We arrived at Ross and Faye's for an amazing morning tea supplied by Faye with help from Wilma & Margaret G. It appears having some combined specials event for riders i.e. Christmas, Easter may become a regular thing. Huge thanks to everyone who helped to make it such a successful day.

Busselton Mid-Week Ride Report 6 Jan 2016

The day was, in one word "hot" however it did not deter 16 riders from turning up, 4 from Bunbury. There were 6 club eligible bikes. It was decided to have a comparatively short run to Boyanup away from the tourists as it gets a bit crowded down South.

John L. asked who was leading the group when Darryl was giving his little pep talk at the start, Darryl said he was, John said he didn't think that was a good idea as he couldn't even put his belt on his trouser right, (he had missed one of the loops!) so how could we trust him to lead us? It got a good laugh, much to the amusement of Darryl.

Darryl led us of (he kept us in the loop) along Layman Rd, Tuart Dr, Ludlow Rd North, Mallokup Rd, Roberts Rd, Bussell Hwy, Boyanup Rd to Boyanup where we enjoyed coffee, cool drinks, pies, & cream donuts.

After a good old chinwag we head back along Hurst Rd, Argyle Rd, South West Hwy, Lowrie Rd, Boundary Rd, Gavins Rd, Bussell Hwy, Stirling Rd, Ludlow North Rd, Tuart Dr, and Layman Rd arriving at Busselton about 11:30.

A good ride (even if it was hot) with no mishaps or losing any one.

Peter Whiteside

New Year Ride. 10-01-2016. 26 Riders 3 Passengers. 7 Busselton Riders.

Usually this ride finishes at Neville & Margaret's for a sausage sizzle however with the bushfire emergency we had to come up with a contingency plan as Leschenault were on fire. Rather than cancel the event we made a decision to transfer the barbeque to BMCC clubrooms and alter the route sheet slightly to stay away from threatened areas. As the sheets had already been printed Neville gave verbal instructions at the start for the latter part of the ride, this resulted in a couple of different ways to reach BMCC.

Unfortunately the back-up had a sheet with five lines missing so had to wing it and hope they were going the correct route. I am glad to say everyone managed to make it to clubrooms, probably because we advised at the start where the ride was finishing.

Big thanks to people I out-sourced tasks to, Lyn B. & Muriel, also Wilma for her overabundance of delicious cooking. Thanks to Margaret & Neville, Sharon & Darryl for barbeque supplies and cooking, last but not least Glenda & Wayne who were back-up. Unfortunately, due to

circumstances beyond their control we had no Mandurah riders this year.

Pre 48's

Murray Rudler said the Pre 48 over Christmas Run on the 28th December 2015 went well with 32 Riders and 2 passengers and 7 guest riders.

Please advise Sharon if you are intending to participate in the Run on April 30th/May 1st with an overnight stay in Quindanning, and also the Social dinner at the Eaton Tavern on Wednesday 24th February at 7.00pm please RSVP by 14th February 2016.

PUBLICITY OFFICERS REPORT

PROPERTY OFFICERS REPORT

Richard advised that Bernie had fixed the jockey wheel on the club trailer.

LICENSING LIAISON OFFICERS REPORT

Concession 404

Jeff said that DOT rules as they stand at the moment are that if you have a bike on a code 404 licence there is a new condition code stating that you must be a financial member of an approved motorcycle club and that the bike must be an original with no modifications.

The IHC membership fees are due on the 1st December each year and you have until the 30th December to pay. If your membership is not paid by 30th December in DOT's eyes you are unlicensed

and uninsured, so make sure you pay your memberships early to avoid disappointment.

If you have a bike on an A class licence and you want to put it on a B class licence you no longer have to have it inspected, just take the current licence papers with a letter from Jeff Smith our Licensing Liaison Officer, stating that you are a financial member of the Club to DOT.

CMC delegates are working with DOT policy staff to ensure that they have some input into any new legislation that is introduced. They are working to remove the possibility of the introduction of log books that may have been introduced. It has been recommended by the CMC that clubs still conduct annual **safety** inspections of code 404 licenced bikes.

There are new Certificate of Safety Examination forms, so if examiners have any of the old forms please throw them away and Jeff will issue you with the new forms.

Your bike still has to be examined by your clubs examiner or scrutineer.

WEBSITE MANAGER REPORT

The first two batches of new membership cards have been sent out to active members. If you haven't received your card by the end of the month and you have paid your membership fees please contact the club.

Photos from the Pre 48 Boxing Day ride, the combined Bunbury/Busselton mid-week ride, the Doug Brittain Memorial ride, the Christmas Charity ride and some previous rides have been added to our Facebook page. Thank you to the club photographers.

GENERAL BUSINESS

The Mandurah Meanders please advise Faye ASAP if you intent to go on the

There is a First Aid Course for motorcyclist's being held at the Highway Hotel on Saturday 16th April 2016 which starts at 11.00am and goes for 4 hours 30 mins. The cost of \$78.00 pp will be paid by the club for 6 members who are regular riders in club runs. Those members can then demonstrate the finer points of what they have learned at a general meeting down the track.

Terri Olsen from Bethanie Fields in Eaton would like 6 or 7 members to take some old bikes to show the residents on Wednesday 17th February 2016 at 1.30pm and afternoon tea will be supplied.

Rob Harrold advised the meeting that Ross Payne was not very well and needed to have some tests in Perth over the coming weeks.

Catering for the Two Day Rally

To make this event successful the Two Day Rally committee desperately need the help of members and their partners to contribute to the catering. If you are unable to cook something a donation of \$10.00 to contribute to the cost of food would be appreciated. If you are able to help please call **Sharon 0429 418 852 or Glenda 0417 018 225.**

Wheatbelt Run

Ross Eaton said that he was organising the Wheatbelt Run for the long weekend in September-Sat 24th, Sun 25th & Mon 26th September 2016. Charles Smalley had offered to do back-up for the run, but another was needed in case something happens and Charles is unable to do it at the last minute.

If you are willing to put your name down as a reserve back-up please call Ross Eaton, also if you have any ideas as to what pubs would be a good choice to stay in over the weekend Ross would be interested in your thoughts. The ride is for IHC members only unless pre- arranged with Ross.

Australia Day Breakfast

Norm Hart said that the breakfast will start at 7.00am and there will be a short ride of about 55kms after breakfast at 9.00am. Back-up is needed for the ride so if you can help out please contact Norm.
