PRESIDENTS REPORT

All things considered, I believe 2017 was another good year for the Indian Harley Club.

We had many interesting outings, in weather that wasn't at all bad for riding, and we even went on some new roads and ended up at a new destination.

Those who hit the road the day after Boxing Day can strike one thing off their bucket lists...they can say that they've been to Woop Woop! A new destination for the club, and for me, riding out through Cardiff and MacAlinden was also some new roads.

Thanks to Dave Lind for that experience.

The last 12 months has brought a number of new members into the club, and I hope you are all enjoying being an Indian Harley Club member. January the first has come and gone, so I hope you have all renewed your memberships, otherwise you should not be riding any Code 404 registered machines.

For 2018, we again have a pretty full calendar of events, so there should be something to suit everybody. If not, stick up your hand, talk to the Captain and organise whatever you think is missing.

The Two Day Rally is just 2 months away now and I know preparations are going full bore for that.

Lastly, thank you to your club committee for making things easy for me over the last year, and I look forward to the next 6 months of working with you all again.

CAPTAINS REPORT 1/18

Well 2017 is done & dusted now we are galloping into 2018 with another busy year ahead.

Midweek PM. 13/12/2017. 23 Riders 3 Passengers.

Vice-Captain Leigh lead the troops today around Dardanup West, Crooked Brook, Ferguson, Dardanup and Paradise to Sth West Hwy before finishing at Captain's place for Christmas afternoon tea which everyone said they enjoyed although someone in a sidecar complained about the bumpy Wireless Rd, sorry but it wasn't bumpy in the car when I drove down there. Thanks to Wilma & Margaret G. for helping out.

Busso Mid-Week (Christmas Breakfast) Ride.

Well, what a turn out! Surpassed all estimates, I believe there was 43 at the breakfast, at Sensations Café though I did not get to count them, we estimated about 25 or so, we ran café staff off their feet a bit but they handled it well, I thought.

There were 18 bikes turned up at the 7:30 start on what was one of the best days you could imagine for riding a motorbike, it was superb, unfortunately for one ride he did not get past the start "gearbox/kick starter problems" so one of the other riders went and got his trailer for him and they went straight to the café.

The rest set off for our short ride of about 50K down Bussell Hwy L into Chain Av and L at Vasse Yallingup Rd, then back along Bussell Bypass to Tuart Dr, L at Layman Rd to Sensations Café for our breakfast, when we got there I was pleasantly surprised to see so many bikes and members cars that had gone straight to the breakfast.

The food and the service was very good, we all enjoyed the breakfast and of course the chit-chat, Phil gave a little speech thanking everyone for coming and handed out a little bag of Christmas treats to everyone (I think he might have been a bit short, under estimated a bit).

The second half of our ride had to be cut short, because it took longer than we thought for breakfast, some went home after the breakfast, the rest (about 20) set off along Layman Rd through town and out Chapman Hill Rd, R into Doyle Rd, L at Queen Elizabeth Ave along Payne Rd, R into North Jindong Rd, L into Bussell Hwy. R into Wildwood Rd to Anniebrook Flower Farm for morning tea. (I think it is now just called "Anniebrook").

Once again, we enjoyed a coffee and a chin-wag at a very pleasant and tranquil setting.

From there we all headed our own way home arriving at Busselton just after midday, Bunbury mob would have been home by 1PM. A most enjoyable morning to see 2017 out, one I will not forget. **Peter**

Mid-week AM Ride. 27/12/17. 28 Riders 3 Passengers

Today's ride to Woop Woop was planned by Dave Lind and with fantastic riding weather it was a very successful event. The riders headed to Collie via Ferguson Rd and Pile Ride with a 20-minute break in Collie, then travelling to McAlinden Rd, Donnybrook/Boyup Brook Rd to the thriving metropolis of Wilga.

Much to everyone disappointment there is no actual sign for Woop Woop as it is locality in which Wilga is located. However, everyone was very merry after Christmas and had a great old time chatting and eating.

After most of the food had been demolished 4 flustered riders arrived having been in McDonalds, when the group departed Collie, because they were too busy eating and drink-

ing. Thanks very much to Dave for suggesting ride to an interesting place also for organising route, to Margaret & Neville for back-up and last but not least to Wilma for helping.

Busselton Mid-week Ride. 3/1/18

Today we had what is probable one of the best rollups for a Busso mid-week ride for some time, 24 bikes in all, and one was a visitor and there were 2 passengers; great turn out on a mild summers day.

My Englishman friend "John" put this ride together and took the lead on what was to be quite a long ride before we had morning tea (or where we were supposed to have morning tea) 110Ks I think it was a bit longer than he thought!

We headed out Chapman Hill Rd after navigating through town, R at Ambergate Rd all the way to Rendezvous Rd turning L, navigated our way through Vasse heading along Vasse Yallingup Rd, R at Wildwood Rd L at Abbeys Farm Rd, L at Puzey Rd, turns in to Harmans Mill Rd, R at Tom Cullity Dr, L at Miamup Rd, R at Brockman Rd, L into Caves Rd, L at Carters Rd, R into Bussell Hwy, through Margaret River, R at Boodjidup Rd, R into Exmoor Rd and turns in to Glenellie Rd. L at Caves Rd, R into Rainbow Rd, R at Yates Rd, L at Wilderness Rd, L at Wallcliffe Rd to the White Elephant Café.

Unfortunately, when we got there the place was packed and we decided to go to Yaharva at Margaret River for our coffee, some of the riders decided they had had enough and headed home.

After our coffee, we headed up Bussell Hwy to Cowaramup and stopped for a drink and a pie, by this time we were down to about half the group with some heading straight home.

From there we headed home via Jindong-Treeton Rd, Payne Rd. Kloorup Rd arriving

at Busselton about 2 PM. A great ride even though it was a bit late getting our coffee and **PIES**, and thanks John for your effort must have taken quite a bit of working out. **Peter Whiteside**.

Hi there, Enjoyed the ride today, Pommie John worked out another great ride for all of us. Good on him. Got mixed up at the end, but made it home, safe & sound. Cheers **Helgo**.

LICENSING LIAISON OFFICERS REPORT

Report - Licensing Liaison Officer/ Machine Registrar 9/1/18.

Good Evening – Firstly my report is not directed at all of you present here tonight, nor is it directed at the members who have put in their effort over the years and have reached the stage where they need to take a step back from most events, nor those who contribute in many other ways that the majority don't see.

Due to the events over the last couple of weeks in chasing up members who have demonstrated their lack of commitment to a very valuable club membership - my report is directed at those who seem to think that the IHC is just a way to get a cheap license for their bike and a free ride at the expense of the rest of the membership of this wonderful club.

These are the members we rarely see, the ones

who demand a printed copy of the newsletter every month and never even bother to open it, let alone read it! At a couple of dollars a month that is an administrative cost to all of you of half of their membership fee.

Other admin costs are gobbled up rapidly in maintaining our obligation as a club to inform them of current situations, overdue fees, website costs and generally trying to make them feel part of the family. This is often thrown back in our faces by their non-attendance, ignoring communication on a regular basis and failure to pay their annual fees without considerable work by our committee members.

I am not alone in my belief that these members are a liability to this club and I will be raising the issue at committee level next week to see what we can do to remove or reduce this blight on the future of our club - and I seek your support in this matter - thankyou. **Jeff Smith**

GENERAL BUSINESS

Honorary Membership for Mike Reeve. It has come to the notice of the club that another of our very senior members will not be renewing his membership in the coming year, mostly due to age and the difficulty of getting around.

Mike Reeve has been a member of this club since 1986, and for most of those years, he has been an active and conscientious

member, taking part in many of our rides and functions. For many years, he drove back-up on the 2 Day Rally. He has also been a committee member of the Brunswick Agricultural Society for many years and was always keen to have us display our bikes at their annual show.

Mike will turn 90 this year, and has sold all his bikes. In line with current club policy, I would like to see him elevated to Honorary Membership of this club, in respect of his many years as a committed club member, to keep him informed of what our club is doing and to keep him involved, should he wish to do so.

Before I propose the motion, does anyone wish to say anything either for or against the matter? The proposal is as follows:

Proposed by Glenda Patterson, seconded by John Presland, that Mr Mike Reeve be made an Honorary Member of the Indian Harley Club, with consideration for renewal at the next AGM.

A reminder to all members for the Australia Day Breakfast commencing at Fettle's Park Boyanup at 7am. To be followed by a ride.

2 Day Rally, Bert is seeking to borrow a number of bbqs (and full gas bottles), please contact Bert if able to help. A reminder that entries close on Feb 9.

Graeme Squires from Mandurah reported on their involvement with the memorial for Clive Marwick.

John Keenan reported the Gingergolds Celebration of all things Vintage in Donnybrook on 30 December was a success and the organisers send their thanks for those who attended.

Graeme Squires advised the Mandurah Mob Meander will be held 24 – 25 Feb. Meet & ride Sat, Accommodation at Fairbridge, Sun AM Gymkhana with postie bikes (supplied), Ride to lunch spot then home. Please contact Man-

durah mob for further details and to register. Steve Armstrong enquired about assistance with re-banding a sprocket. Bernie McCormack volunteered to help.

Ross Eaton is seeking a suitable sidecar to fit to his 1995 BMW R100.

Barry Ray is looking for a single phase motor for a lathe.

AUCTION

Ray Jordan gave a brief outline of the history of the Bunbury Foodbank and his involvement with it. He then auctioned 3 jackets donated by Chick Dimmack for a total of \$80.

2017 MANJI MOB CHRISTMAS EVE BREAKFAST RUN

Christmas Eve, Sunday December 24 dawned with sunshine and blue skies in Manji. What a great day for a run.

As the breakfast venue, Blackwood Café at Nannup didn't open until 8.30am this year, departure time was a gentlemanly 7.30am, so riders gained an hour's sleep-in.

By departure time, 10 IHC members mounted up with one passenger, including a few old school boys who had trailered down from Bunbury. Guests mounted up on 30 bikes with 2 passengers, a total of 40 bikes covering many years and makes with 3 passengers. What a turn out.

Roons provided a pre-run talk, covering safe riding and reminded our guests that it was a 'slow run', and led off on his 1929 Ariel, setting a brisk 'age related' pace, meaning

most modern bikes didn't get past 3rd gear to Nannup. Additionally, Roons good wife Maree drove back up with a mate, as Roons record in a number of years to return from the run 'riding' was somewhat dismal.

Pushing his bike into the scrub and covering it with a few branches on previous runs had become a little too common. (I have to say, I did enjoy riding pillion behind Trav on the Harley in previous years after leaving a bike in the scrub, but he must not have, as he brought his good wife Karen as pillion this year, putting an end to my 'joy rides')...

We were stoked to find on arrival at Nannup after a great run through the majestic karri forest an additional 12 IHC members plus a passenger who had ridden from Bunbury, Busselton, Mandurah (Chick on his new Indian – big effort) and elsewhere to join us for brekky.

What a gathering of machinery with a grand total of 23 IHC bikes with 3 passengers plus 30 guests' bikes with 2 passengers. 58 for brekky had the Blackwood Café in full overdrive, however they did a marvellous job, and everyone was very happy with the brekky.

Everyone had a good yarn and convivial catch-up and then headed home to all points of the compass. No known hiccups, however of note was the gent on the Nannup-Bridgetown Road who waved down our backup vehicle. Being 'Christian' Maree pulled over, however when they saw old mate was sucking on a UDL at 8am (and not his first by the look of him), and they were two lonesome gals running tail end Charlie on our run, they chose to continue on – with 'Bangalo Forest' and 'Mick Taylor' coming to mind. Hey, it's the deep woods out that way, I could accept an export, but a UDL!!

Anyway, you'll be pleased to hear that this year the Ariel made it home – albeit with an inch of oil left in the tank. Comment had been made at Nannup if the Ariel was a war model – as the smoke emitted enroute would have

been great cover in the trenches. How nasty – but true. So my new year starts off with bikes off the road, again... Never mind.

A good run and the Manji Mob will take this opportunity to thank all for attending and to wish all a happy and healthy 2018, and don't forget to keep the rubber side down.

All the best, the **Manji Mob**.

Mandurah Mob Two Day Meander **24th & 25th February 2018.**

Any Bunbury/Busselton members intending to go on the Mandurah Meander, please contact Faye on 97971709 to make your booking and arrange payment.

Thanks & regards
