CAPTAINS REPORT

Midweek PM 11-11-2015

21 Riders 1 Passenger

Collie - unfortunately no report.

Captain's Country Run 15-11-2015

9 Riders 3 Passengers Bunbury.

6 Riders 1 Passenger? Mandurah.

Weather pretty warm for this ride, bit confusing for some going on a LONG ride of about 300km roundtrip. However riders departed, led by Neville G. the group travelled to South West Hwy and continuing on to Waroona for a short break. After a petrol stop for some at Pinjarra we arrived at the Jarrahdale Tavern at about 1130 to be greeted by Mandurah Mob who were already sitting on the verandah socialising.

After a couple of hours eating, drinking and socialising time to head off back to South West Hwy via the scenic winding route of Serpentine Dam. I am lead to believe that the 1 Passenger in Mandurah was an old bag of sand is that right Jack?

As this was the first ride of this kind I know there are improvements to be made, which have been noted, when undertaking a LONG run in a day the feedback I have received is all positive Thankyou.

Busselton Midweek Run Report 18-11-2015

Not a good day for motorbikes, windy with the threat of rain and probably why only 6 bikers turned up, one from Bunbury with passenger. Yours truly in full wet gear and got laughed at by the mob!

Phil led us off down Causeway Rd, Bussell Bypass. Chapman hill Rd. Doyle Rd, Queen Elizabeth Rd, Payne Rd, Jindong/Treeton Rd, Treeton Rd, Bussell Hwy, Miamup Rd, Tom Cullity Dr, Caves Rd, Cape Naturalist Rd to the lighthouse and back to Bunker Bay where we enjoyed Coffee and muffins and the usual chat.

It was a nice ride out a bit windy but no rain, I was beginning to think I had all this wet gear on for nothing! However just as we were leaving Bunker Bay the heavens opened up, we all went straight home from there, I arrived home dry! (Even my boots were dry) I think the rest would have been

very wet! It was a good ride (at least I enjoyed it) with no mishaps or break downs.

Midweek AM Ride 25-11-2015

22 Riders 1 Passenger

Today's ride to the thriving Metropolis of Mul-lalyup was meant to be a pretty straight forward ride through Boyanup, Donnybrook, Brookhampton, then turning on the Kirup/ Grimwade Rd, Right on Grimwade Rd, right on South West Hwy. However, while Lyn & I were setting up morning tea under a gazebo John Cl. & Tracy arrived after getting separated from the group at traffic lights in Picton and not knowing that ride was taking Grimwade Rd.

Then another group with John P. arrived via the correct route wanting to know where the leading group was. I am starting to think the route sheet has an error when Bernie turns up; he informs me that the lead group turned left at Sth West Hwy he realised the mistake and turned around. The rest of the group made it to Greenbushes before realising they are headed the wrong way. Apart from everyone said it was a good ride, although bit chilly going thru forest.

Neville G. & I had a discussion about this and we have decided that when leaving Bunbury on rides where traffic lights are involved we will have a muster point on the outskirts where everyone can regroup before continuing, hopefully as a group.

Many thanks to Lyn B again.

It has been brought to notice that one of our Life members has a new nickname after putting diesel in his bike at Albany. Is that right "Diesel Dick."

Busselton Moto Fest

Jerry Germain spoke about the Moto fest which was held in Busselton on Sunday 29th November 2015 which will now be on our Calendar of events each Year. There were 12 Bikes representing the IHC.

There were 4 prizes awarded:

The oldest Bike & Rider Winner Darryl Warner on a 1933 Norton & Sidecar

Pre 48 News

Murray Rudler spoke about the Tiddlers Run which had about 25 starters and finished the Run with a Devonshire Tea at Sharon & Murray. A big thank you must go to Sharon and Muzza for organising the Run and putting on the beautiful morning tea.

The pre 48's have a run on the 28th December 2015 which members must ring or email Sharon & Murray if you are going on the run for catering purposes.

There is also a Pre 38 Run which will be on 30th April 2016 which is a 2 day run staying overnight at the Quindanning Hotel. Please contact Sharon or Murray if you intend to go on this run soon as the entire Hotel will need to be booked.

PUBLICITY OFFICERS REPORT

Charity Run

Bill said he would be at the number 4 carpark opposite BREC at 7.00am on Saturday the 12th December to put the sign across blocking the Carpark to cars, and only allowing the lady with the Kayaks access to the Estuary until around 12 noon.

The final preparation has been completed with the Salvos sausage sizzles organised for Capel and Bunbury, PA and all volunteers for erection of tents, clean-up of Carpark and Capel show-ground, Badge

sellers and traffic control for Dardanup, Capel and Willinge Drive.

We have Police approval, but there will be no Police presence again this year, so it is important for all riders to obey the road rules, and stay behind the Sidecar transporting Santa.

Bikes will stop at Dardanup Tavern allowing just enough time to regroup and also at the truck bay along Willinge Drive in Bunbury.

Club members are asked to wear their green club shirts and hats and all volunteers must wear fluoro vests. Eric Lawrence our deputy President will give the welcome speech and Mayor Gary Brennan will present the cheque for \$3000 to Harriet Farquhar of the Salvation Army.

Eric Lawrence, Neville Green and Bill Pike will deliver the toys and gifts to the Salvation Army depot in Timperley Road at the conclusion of the event. Darryl will remove the Banner from the Oval at Busselton and Neville will take down the Banner from Hands Oval after the Run.

PROPERTY OFFICERS REPORT

Richard is away on personal leave and we hope everything is going ok for him. In his absence a few of the boys have been checking the shed, and said the only thing to report was a Goanna had taken up residence.

GENERAL BUSINESS

Bob said that the South West Charity Ride formerly the Augusta Toy Run on the 13th December 2015 was a sanctioned ride allowing members to ride their older bikes.

There was a discussion on correct riding attire after it was noted that some members were not riding their motorcycles with clothing that would protect them in the event of an accident.

An example of the importance of correct riding attire was demonstrated recently in the club when two of our club members had a collision. They were wearing riding jackets and long trousers (one rider in Kevlar pants) both with riding boots and helmets.

The bikes were both damaged with one being written off, demonstrating the seriousness of the accident. The rider wearing the Kevlar pants had only a few scratches after skidding off the bike onto the bitumen, and was sore for a couple of months. The other rider's injuries were more severe, with the worst injury being caused mainly by a watch which made a deep nasty wound to the hand when it was torn from the wrist.

If these riders had not been wearing Safe and recommended riding gear their injuries would have been substantially worse. The law states that only a Riding helmet must be worn.

It was the general consensus of those members present that it was a members own business what they wore, and the club does not have any control, and does not

want to act as the policeman, but we do not want to see our members hurt or worse still, killed when it could have been prevented by wearing the correct and safe riding gear.

THE INDIAN HARLEY CLUB ENCOURAGES MEMBERS TO WEAR SAFE PROTECTIVE RIDING GEAR ON ALL CLUB EVENTS.

Below is an excerpt from the Road Safety Council of WA with suggested safe riding gear that the club would advise members to wear for their own safety. The details below are from the Government of Western Australian Road Safety Commission's website.

The **law** in Western Australia states that riders **must wear helmets**.

Helmets - A securely fitted helmet will last 1-5 years, depending on use. They are designed to absorb only ONE impact or drop.

Jackets - Choose either leather or non-leather alternative. Select a jacket with built-in shoulder, elbow and back protection that is abrasion-resistant.

Eye protection - Ensure you wear quality glasses with open-faced helmets or when riding without a visor.

Gloves - Should fit securely but comfortably, be reinforced, padded and able to improve your grip.

Boots - Buy boots that are light, secure and reinforced.

Pants - Choose pants that are comfortable and have built-in reinforcement.

Pillion passengers should be as well protected as you are, as their needs are the same.

Most rules applying to motor vehicle drivers also

apply to motorcyclists. There are, however, a few rules that specific for motorcyclists. Some of these are provided below.

Passengers on 2 Wheeled Motorcycles

The rider of a motorcycle shall not ride on a road with a passenger who has not attained 8 years of age.

In this regulation, a motorcycle does not include a: 2-wheeled motor vehicle with a sidecar attached to it that is supported by a third wheel

Motor vehicle with 3 wheels that is ridden in the same way as a motor vehicle with 2 wheels.

Penalty: \$100 infringement

Animals on Motorcycles

The rider of a motorcycle shall not ride with an animal on the part of the motorcycle between the rider and the handlebars.

This does not apply to a person who rides with an animal on a motorcycle for a distance of not more than 500 metres on a road for the purposes of a farming activity that the person is carrying out, provided it is safe to do so.

Penalty: 1 demerit point and \$100 infringement

MANJIMUP CHRISTMAS EVE RUN

John Rooney reminded members about the Manjimup Christmas Eve Run which starts at 6.30am from 33 Ipsen Street Manjimup, with breakfast at 7.30am at Karri Valley in Pemberton.

movie show from Terry Skinners Route 66 adventure.

Please be advised that the Ladies Luncheon on the 26th January 2016 will be cancelled due to Australia Day celebrations.

The Mandurah Mob Meander is on the 20th & 21st February 2016. This is a fantastic event organised by the Mandurah members and at just \$50 per person for the weekend, which includes accommodation on Saturday night at Fairbridge Farm, Barbecue Saturday night and a cooked breakfast Sunday morning it is not to be missed.

That is besides the great ride, fantastic entertainment and socialising. Members south of Mandurah who wish to attend please give your names and money to Faye.

Please can I have numbers for those attending the Meander ASAP so that the Mandurah Mob can cater for the weekend?

“RED DIRT RACERS”

Just thought there might be a few in the club interested in the book ‘Red Dirt Racers’ written by Graeme Cocks on the history of the Lake Perkolilli dirt races from 1914 – 2014.

2014 marked the Centenary of Motor Racing at the Lake Perkolilli clay pan in Western Australia. Crowds of people gathered at the original clay pan circuit at Kanowna near the Goldfields city of Kalgoorlie, to celebrate this significant event.

A definitive work on the history of motor racing at 'Perko' will be released early in 2016 to mark the Centenary celebrations. There will be more than 900 never before published photographs in over 500 pages. This is a lavish limited edition publication.

The book is called RED DIRT RACERS and will be released early in 2016. As there will be limited copies, they can be ordered at www.motoringpast.com.au or email: admin@motoringpast.com.au.

NOTIFICATION OF EXAMINATION DAY SUNDAY 14TH FEBRUARY 2016

It is STILL a Concessionary licensing requirement that all Machines on the IHC register undergo Annual Safety Examination and that the member presenting their Machine is currently FINANCIAL.

A reminder that Annual Subscriptions were due from the 1st of December 2015 and

will be required to be paid before the 30th of January 2016, Club membership will BE CANCELLED if unpaid by the end of February 2016 and incur a nomination fee if you then wish to re-join.

Examination Day will be on Sunday the 14th of February 2016 and will be held at the BMCC Clubrooms where a free sausage sizzle and friendly socialisation will occur from 9am alongside the scrutineering of bikes.

All members from the greater Bunbury area (40 Km radius) are encouraged to attend. Members are reminded the reason for this change is to address the problem the club has of less and less members attending Examination Day and requesting “home” examinations. With over 400 bikes to be checked this year, to expect our volunteer scrutineers to attend each members home is too much of a stretch of club and scrutineers resources.

There may be a “Home Examination fee” of \$20.00 charged for those members who do not wish to avail themselves of the

opportunity and resources provided by the Club on the 14th at BMCC. This fee will be applied at the Scrutineers discretion, based on the distance travelled or any difficulties associated with the home examination.

The date has been chosen specifically to occur before any membership is CANCELLED if unpaid by the end of February. Payments will be accepted on the day as a last resort. If you are un-financial after this time, you will not be issued with a current Certificate of Safety Examination and notification will be sent to the Department of Transport. This is to avoid all the problems associated with un-financial members and non-compliance with Concession 404 by only having to report the one occurrence.

Club Members outside the greater Bunbury area (40 Km radius) are welcome to attend the BMCC on the 14th if they so desire, or make their usual arrangements with the out posted scrutineers at Busselton (Inspections will be carried out at Darryl Warner's house on the 14th February) - Manjimup (Inspections will be carried out on the 14th February AT DOUG'S HOME 2 Moore St Manjimup) and the "Mandurah Mob" should contact Graeme Squires for a suitable date.

In addition to this, it is proposed that a mid-week "Examination Run" be organised to assist members in Collie or members with special needs. The Club Trailer will be made available for loan to members with multiple bikes, but will need to be "booked" to avoid having to wait for availability.

PLEASE make all your arrangements to attend the "out of town" Scrutineers of your choice BEFORE the end of February. Remember they are all volunteers so don't leave it to the last minute and put all the pressure on them – just because you "forgot"!

We WILL NOT be chasing you up as there are too many bikes and too few resources to do so - If you don't make any arrangement to get your bikes examined, the responsibility will be YOURS and the consequences will be D.O.T. revoking your Concessional License and a demand for an immediate full payment of your registration.

If your bike is unfit for inspection, or you cannot attend on the day, please complete the no show form printed here and get it to a scrutineer or ring the club registrar. It is vital that we know if you can't attend so that we can avoid reporting you as a "NON CONTACT" and subsequent D.O.T. action. Any questions please ring Jeff Smith on

97971235 or Mobile 0437971235

Finally

A word on the Annual Inspection label (sticker) location. Consultation with the Department of Transport has highlighted the fact that there is a wide variety of preferred locations chosen by the hundreds of Concessional bike owners in WA.

To avoid confusion a simple direction has been given to provide uniformity across the many clubs involved. The Annual Inspection label (sticker) should be placed in any of the following locations: **1.** On the rear surface of the number plate. **2.** On the bracket retaining the number plate. **3.** On the rear mudguard.

The label should NOT be placed on the front face of the number plate. It should only be placed where it can easily be removed without causing damage. So let's have no more hide & seek locations, as it is a D.O.T. requirement that the labels can be checked by run organizers & the Police.

See You All on Sunday the 14th February at BMCC Clubrooms.
