PRESIDENTS REPORT

It's been a very good month for rides and shows, with some good riding weather. Our first visit to the Bridgetown Show was a resounding success, with the biggest turn out of bikes we have ever put on for a country show, 43, I believe.

I don't want to steal Capt. Leithal's thunder, but I must say well done to everyone who had a hand in organising the event, it was brilliant. As a follow on to that show, we have an item to auction later in the meeting.

On the day, there was a People's Choice award for the favourite bike on display, which ended in a dead heat between Eddie Laing's newly restored '42 WLA Harley and a Harley outfit owned by John McDermott. Neither gentleman, nor I use that term advisedly, wished to rob the other of the award, so it was decided to put it up for auction at tonight's meeting.

It is a voucher to the value of \$100 for lunch and cider at "The Cidery" in Bridgetown, so something well worth having.

CAPTAINS REPORT

Busso Mid-week Ride 15/11/2017, 14 members turned out for the ride and 3 visitors.

We decided on a ride to Cape Naturaliste Lighthouse. Darryl led us off heading out

Chapman Hill Rd winding our way down to Dunsborough then on to Meelup Beach stopping for a break then on to the lighthouse and returning to stop at Yallingup for morning tea.

From there we headed down Caves Rd to Grace Town stopping for a break then heading back via Caves Rd, Metricup Rd, Gale Rd, Jindong Treeton Rd, and Payne Rd arriving at Busselton about 1pm.

A very pleasant ride on a very pleasant day. **Peter Whiteside**

Mid-week PM. 15/11/2017. 25 Riders 1 Passenger

When I looked at the long range forecast last week it said hot weather on Wednesday, so decided to go to Brookhampton Hall where there is plenty of shade.

However, it wasn't too bad at all; Margaret G. and I headed out beforehand and set up under verandah where we were joined by a very inquisitive skink wondering what the noise was.

While we were sitting with our backs to the wall we discovered there was a wasp's nest in the wall cavity so we hastily moved the benches away for the riders.

The riders arrived with no wrong turnings this time, devoured most of the food and all the cold drinks as well as plenty of tea and coffee and of course a lot of socialising occurred.

Margaret & I headed off before most of the bikes only to have Dougie the dugite slither in front of the car where I unfortunately, for him, ran over his head.

We turned around and returned to the scene of the crime to check whether it had caused any problems for riders however, it had made its way to side of road but was only a little bit alive!

Thanks to Margaret for helping and to Neville for leading the ride.

Mid-week AM. 29/11/2017. 22 Riders 2 Passengers

After the fine weather of the past few days, the ride day is overcast with a hint of rain however, didn't stop a good turn-up for ride to Stirling's Cottage, Harvey.

The ride travelled along Harris Rd, Dowdell's Line, O'Connor Rd, Offer Rd to Burekup then Sth West Hwy, Mitchell Rd, Bernies Rd, Government Rd to Harvey. A very pleasant place for morning tea with the gardens looking magnificent at the moment.

Bert's Breakfast Run. 3/12/2017. 24 Riders 6 Passengers, 1 B/U, 3 Extras

A good turn-up, including Darryl & Jenny who must have been up at sparrows, for a nice sedate ride thru Australind, Leschenault, Harvey to Wokalup Tavern for breakfast, as we occupied the entire eating area the poor passer-by's who stopped were unable to get food and drink. It was a great social occasion for our club with everyone enjoying the chit-chat and camaraderie.

Thanks to Bert for planning, organising and being back-up driver.

Busso Mid-week Ride 6/12/2017. 18 bikes turned up for the ride, 3 of which were visitors, and one passenger.

Another perfect day in Busso, but not too good as far as breakdowns go, Terry on the trike didn't even make it to the start point, turns out he had alternator troubles, luckily Woody was at hand to assist him, then one of our visitors (Bill) had a break down not too long into the ride and another visitor (also named Bill) went back to get a trailer to take him home.

We headed off down Ford Rd L into Layman Rd, L at Tuart Dr, L at Ludlow N Rd, L at Mallokup Rd, Roberts Rd, L into Bussell Hwy, R at Hasties Rd, R at South West Hwy, L at Dardanup West Rd, right at Garvey Rd, R into Boyanup/Picton Rd to Boyanup Bakery Café for morning tea.

After our fill of pies, coffee and a chinwag the

Bunbury Boys headed straight home the rest headed out Trigwell Rd turning L into Boundary Rd, Gavins Rd to Capel then out Goodwood Rd, Capel/Tutunup Rd, Tutunup Rd, Ludlow Hithergreen Rd, Vasse Hwy to Busselton arriving about midday. A very pleasant ride with no major mishaps, apart from the breakdowns.

Doug Brittain & Memorial Ride. 10/12/2017. 29 Riders 4 Passengers

A good roll-up for this annual event to commemorate Doug Brittain & other fallen riders of the club. Just a short ride to Boyanup via Boyanup West to Fettle Park where luckily it was shady and some cold drinks were waiting.

After a short service conducted by His Grace Bernie, with the fallen rider's names read out by Norm it was time for reflection before leaving to ride around Dardanup West to Gelorup for lunch at Liz & Anthony's, by which time the temperature had reached 37C.

A couple of incidents during the ride, Eddie & Neville G. didn't make it to Boyanup after Washington Ave because Neville's bike wasn't feeling crash hot so opted to go to Eddie's.

Glen forgot that he had used petrol for the lawnmower from his bike so consequently ran out of petrol on the home straight; fortunately Carty had a towrope so was able to get Glen home safely.

Never one to miss a sausage sizzle Glen arrived in his trusty Ute. Thanks again to Liz & Anthony for continuing to host the club in memory of Liz's Dad, to Bernie & Norm for officiating at Fettle Park and Eric for providing back-up.

LICENSING LIAISON OFFICERS REPORT

Jeff advised that he will be watching with interest any developments on the proposal for widening the code 404 to include modified vehicles is expected to be a slow process.

With the change in emphasis to owner responsibility for roadworthiness of machines, it has been decided not to hold an inspection day and Jeff will instead be concentrating his efforts on ensuring club member/machine records are up to date.

Another reminder that any members still unfinancial on 1 January 2018 will have to re-register their machines at full cost.

Submission to the Department of Transport.

You may have noticed in the Secretary's Report that the club received a copy of a submission from the Early American Motorcycle Club in Perth to the CMC and the DoT.

It's a long document, 14 pages in all, which asks those entities to reconsider the wording of the Code 404 Concessional License scheme in WA. Basically, it asks that the emphasis should be on **LIMITED USE, NOT STRICT ORIGINALITY.**

Without going into any detail, the requirement now is for restorers to return the machine to its original specification allowing just a few minor safety modifications.

It makes very interesting reading and raises many common-sense issues. I know common-sense is a rare commodity in government departments these days, but it does ask some relevant questions for those restoring old bikes. If you would like a copy of this submission, see me after the meeting and I will email it to you.

Out and about on Saturday the 9/12/2017 for the local toy run, which was organised by the Broome Motorcycle Enthusiasts?

Quite a number of bikes, sidecars and trikes were on our run, approximately 35-40. Urals, BMW's, Royal Enfield's, Hondas, Suzuki's, Triumphs, Harleys and a wide variety of other makes and styles.

The ride went for about 35-40 minutes riding from Cable Beach through various localities and estates stopping at Male Oval for a sausage sizzle and refreshments.

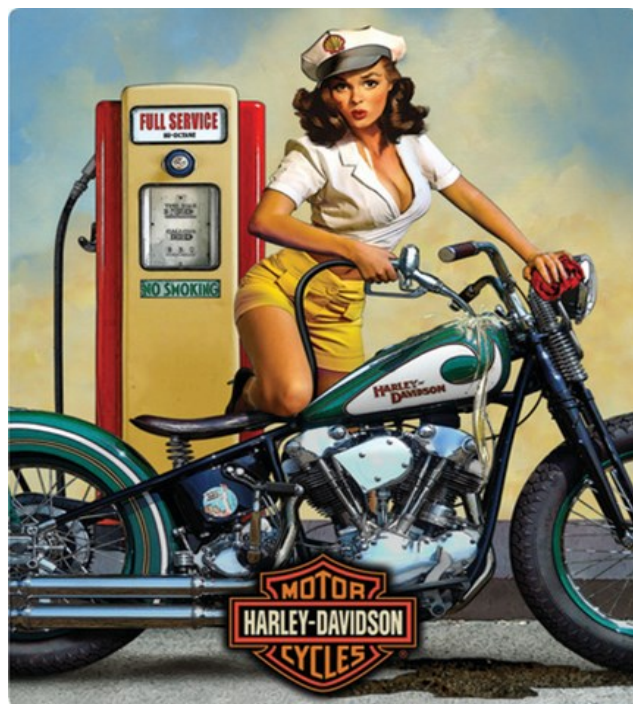

There were quite a number of toys collected for kids in care and need of the Department of Communities. It was great to catch up with David and Filomena Hart out on their Royal Enfield Bullet 500cc outfit.
