PRESIDENTS REPORT

Welcome to IHC December 2018 General Meeting. Summarise the salient events for the month and outcomes of the previous committee meeting:

The trip to the Bridgetown Show was discussed at the committee meeting and as per our previous commitment to share attendance around the various shows it was agreed we would approach the Margaret River organising committee to propose our attendance at their 2019 show.

Membership Fees

I am probably preaching to the converted here at the general meeting, however as this report goes into the club newsletter "Classic Vibrations" hopefully it will be read by all our members.

Even though we have been raising the issue of membership renewals there are those few that still have not paid. Our membership manager has dutifully tried to contact those members to ensure they pay their membership prior to the close of business on the 31 December. It should not be up to the committee to continually chase up those few members who do not pay until the last minute each year, if at all.

For those members who do not pay their membership by the 31 December they will be in for a bit of a shock this time.

New Membership Applications

Unfortunately, the list of new members did not get to print in our magazine prior to the magazine close off period. The following have applied for membership of the club

Jay and Donna McCormack,

David and Rachel Wallis,

Wayne and Amanda Mould,

Harold Dewar,

John Butler,

David and Terry Smith

The committee has viewed the applications and have accepted their nominations. I ask members present at the GM If there are any objections to their membership applications. No objections were raised, I therefore declare their membership applications, be accepted.

Cash Collector for the Mandurah Meander

The Mandurah Mob have requested a person from the Bunbury membership to co-ordinate the collection of cash for the above event, we need a volunteer. If there is a member who is going to attend the meander can they please take on the role of co-ordinator. Wilma Little kindly accepted the role.

Club Merchandise

Reminder for anyone who would like to purchase one of the brass IHC machine badges, Wilma is collecting names to enable a bulk order to be arranged.

Property Officer

Eric has approached me indicating that he is changing jobs to a FIFO soon and will not be able to continue full time in the role of property officer probably from potentially 2019 onwards this is an important role and we seek a person to take over from Eric when he is away.

Any member interested in this role can you please contact a member of the committee. Neville Green kindly accepted the role

Finance

The treasurer has indicated a requirement from the BMCC to evaluate the cost of replacement of our long-standing trophy cabinet and our library which are kept on these premises.

It will be difficult to put a value on our library as some items are irreplaceable, however we have committed to provide a replacement cost for the books and our trophies for insurance purposes.

Impromptu Rides

The committee is starting to see an increase in the number of impromptu rides coming through our notification system which is a good thing as members are doing the right thing.

A reminder to those persons organising the impromptu rides that they have a few responsibilities, namely that the impromptu ride application has been filled out and posted on the web site and most importantly the person who is organising the ride must bring with them a "Member Indemnification Form" (Document 8.1) and ensure all riders sign the form. The signed form must be returned to the club captain for our records. There is no exception to this rule.

Home Made Number Plates

A reminder to all our members that the police will not condone homemade or altered number plates please be aware that there is a very large fine if you do not comply.

Code 404 Registrations

A reminder to all 404 concessional owners that upon the owner's death their bike/s become unregistered immediately. The committee suggests to all bike owners that they make their family/partners aware of this rule.

Christmas has Arrived

On behalf of the IHC committee I wish all our members and family a very joyous and safe celebration during the Christmas and New Year festive season. Enjoy your time with your family and loved ones and we hope to see you safe and well next year.

A special thank you to our committee, without their continued hard work and dedication this club could not prosper as we have done so over the multitude of years it has been running.

Further to our memorial ride on the weekend, on behalf of the club, A special thank you and remembrance to those original members who had the great foresight to establish this club

Thank you

Bill Pike

President IHC

CAPTAINS REPORT OCTOBER

Mid-week Run PM 14/11/18

Ride to Glen Mervin Dam 27 bikes turned up so 30 odd people for the ride. A gentle ride through the Ferguson Valley still looking good, past Preston Store and look at the Mumby Pub on the way past.

Then on to Glen Mervin Dam day picnic area, where Leith & Wilma where waiting for us, Leith always does well. Bill was commenting on the dog shit around with Leigh standing beside him saying I can still smell dog shit. Guess who was stomping the dog shit. The way home was via Pile Road maybe next time bring the swimmers. A good day out.

Old Dave's Ride 15/11/18

8 riders and one passenger turned up for the ride leaving from Dave's place in Lilly Cres for the ride to the Dome in Dunsborough, a short ride but Dave had a smile on his face all the way. It was a very pleasant morning for the extended coffee brake at the Dome enjoyed by all 9 of us especially Dave.

We headed back to Busselton taking a slightly longer route arriving about 11:30am. Thanks to all for turning up for the ride it made Dave's day.

Peter W

Tiddler's Run

A good turn up good to see a few veteran bikes with a few small 2 stroke machines.

A short run to Steve's house to see his collection and the sign he made up for Glen Britza Hall of Fame. Nice collection he started a few machines for us lucky his neighbors don't live close, but they did sound good. Tea & biscuits are always welcome.

Next stop to Crooked Brook car park nice spot to soak in the bush. We had an option to go gravel for 3 km or go back through the road works again. Few took the gravel as this is a quiet road and comes out at Hurst Rd. Then back to Murrays house where Sharon was waiting for us for a sausage sizzle. Raffle tickets sold, and Ricky won the trophy very nice.

After that it started to rain stayed ½ hour didn't make much difference still got soaked. But a good day out.

Busso Mid-week Ride 21/11/18

A dry but cool morning greeted the 21 bikes and one passenger that turned out for the ride to Greenbushes, John L was elected (railroaded) in to leading the group (and a good job he did) with Terry 2 at the back.

We headed straight to Nannup via the Vasse Hwy stopping at the Amphi Theatre car park for a 5 minute leg stretch, then along Brockman Hwy L at Maranup Ford Rd to Greenbushes stopping at the Cake By Tasty Edibles Café for morning tea.

After our fill of pies & coffee and the usual chin wag some headed straight home the rest headed to Capel via South Western Hwy to Donnybrook and Goodwood Rd to Capel. A few of us stopping for a light lunch the rest heading home.

Again, after our fill of pies and coffee we headed back to Busselton via Sterling Rd Ludlow N Rd Tuart Dr Layman Rd to Busselton arriving home about 2pm.

A good ride enjoyed by all.

Peter W

Bridgetown Show

A cool morning was welcome better than stinking hot early morning, we meandered to Donnybrook to the meeting place to pick up our passes. All good, nice turn out then off to Bridgetown Show. Gazebos up seats down and proceeded to tell stories for a change.

Bob took his sidecar for a spin giving children rides. Just because you get older doesn't mean you have to grow grumpy. Did the traps like the stalls. Only bike had a problem was John's bike spat out a head gasket so that went on the trailer with our gear.

A very pleasant day out.

Mid-week Run 28/11/18

Destination Dwellingup to the Blue Wren Café. This time we tried the Southwest Hwy as per usual road works for a change. Had a stop in Waroona before going up Naga Brook Road yes you guessed it burn off time at the end of the road. At least the smoke kept the flies away. Once at the café it was pleasant chin wag. After a nice leisurely ride home, your choice. Another top day out.

Busso Mid-week Ride 5/12/18

12 riders and one passenger turned up for the ride, the temperature was just perfect for riding, Brian kept the rain away by wearing his wet gear! Thanks Brian. (60% chance of rain was forecast.)

Our destination was Dardanup Bakery, we set off along Bussell Hwy, made it to Dardanup Bakery for coffee and pies and a good old chit-chat. After the morning tea," my Englishman friend John" led us back arriving home about Midday.

As always, a great ride.

Peter W

Doug Brittain & Memorial Run

A good day, cool for this time of year. Good to see some veterans turn up for the ride. A few new bikes to look at.

We meandered through Treendale, Burekup, Ferguson Valley then to Boyanup where Norm was waiting for us. He gave knowledge of past members and some of their achievements. Then off to Liz & Anthony's house for lunch his shed of projects only the spider webs have changed, but good to see his collection. A good day out to chew the fat.
