Bunbury Mid Week Ride 25 Nov

18 riders & 1 pillion with "JC" our ride leader, set off on a perfect spring day, to Capel via Dardanup, Hurst Rd to Donnybrook, Goodwood Rd to the Capel Bakery & Cafe. Coffee & pies were seen to be the preferred dining option.

After morning tea, we then set off along Mallokup Rd, Roberts Rd & over to Boyanup, then some back roads to the Dardanup Bakery for lunch. No problem except that the bakery was shut for a few days. So on the bikes again & back to Boyanup for another coffee & pie fix.. A further 103 miles on the Smiths speedo for the day. Retirement sucks.

John De Fillippo

The Tortoise Ride

Ross Eaton has introduced a new midweek ride format for those riders who wish to go at a slower pace. This will be suitable for older bikes or riders, or anyone on any machine who would just like a more relaxing ride through the countryside. The ride is known as The Tortoise Ride and will commence at 9 am in the Dolphin Centre car park every month on the day (Wednesday) after the General Meeting. Backup will not be provided, but members will endeavour to provide assistance if needed.

29 November Murray's Impromptu run

A good turn up as the weather was too good to sit at home so a short run to Preston Valley store then back to Bush Shack brewery for lunch and tell stories. Starting place was at Dardanup bakery which people got coffee. We had a riders brief then off to Preston valley store have another chin wag then to lunch to try out the culinary delights and try out some brews as well. All up a morning well spent. Thanks to Murray & Sharon to organise this run.

Busselton Mob Mid-Week Ride : 18th November 2020

This ride, my favourite, was enjoyed by 16 riders. A good roll-up, considering the overnight rain and the prediction for the day. But little actual rain was suffered, albeit some wet roads at the start.

The course from Busselton went via back roads to Capel to pick up Bunbury riders. Then to Kirup, via the fantastic Upper-Capel Road, for a leg/bum break. This was followed with a spin on Brookhampton, Wildmere and Charlie Creek Roads to Donnybrook. About 117klms all up.

For an unknown reason, the mob divided between the two bakeries. The smart ones picked the best closest to the car park.

Thanks to Geoff Miller for being the Tail-end-Charlie.

Busselton Group Liaison Officer

Pre 48 Augusta overnighter

The Pre 48 overnighter to Augusta had great turn out of 20 bikes with some 6 or so from various Perth clubs.

It's great to see these blokes come down for a ride with some real camaraderie between these clubs.

Some of the wives came in cars to experience the South West & joined up to do a bit of shopping on the way. We had a few bikes in the back up trailers pretty early (it seemed Joel wanted to have some mom time with Kath Turner , this was rectified on Sunday morning with a quick going over by the twin whisper to get the old scout home.)Also had a bit of a bike swap before our

first stop at Rosa Brook general store. Our own Ricky Fraser was passed buy many of the bikes as his borrowed steed ran out of fuel

We all thought fully set up buy his lender Peter Lawson.

But Pete got his own back when he lost both of his coffees with a bad exit through the shop door.(Karma Pete)We headed down the coast road to Karridale to stop for lunch.

This is a great spot as meals never stop from lunch until food stops at around 8.00.

We all headed off through Hamelin Bay back to Augusta & then a quick tour out to the light house.

Young Graham Hammond had a flat tyre after lunch & then loaded his bike in one of the back up trailers with Kath & Shen the Hostess then headed back

to set up for Light refreshments & a catch up of the day's events.

Tea at the pub than a few evening drinks once again seeing Ricky being the last one to bed

Leading a few others astray.

Cooked Breakfast buy the girls & Hamish the next morning at the White House on the river, with Steve Turner delivering a brief deliverance on the day before with the handing out of some special pre 48 only port for the special few. John suggesting that he would bring the Indian army scout next trip.

We heard the big Vincent of Dan Talbot head of early in the morning. That bike after a bit of fettling has become a great reliable bike.

The trip back through Nannup for smoko then Kirup for a regroup seem to have sorted out most problems with the bikes. (I think they were just protesting the day before through lack of use).

We all headed back through the Capel side of Donnybrook & back to Boyanup.

Had a old 40s police bike stir up the boys with the tyre mounted siren (nice sound if its not you they are after.)

We all said our good buys & thanked our Perth Riders.

Special thanks to Travis Parky our Manjimup chapter for doing the main back up.

Muzza found his wallet this was also a great out come.

Muzza & Shazza

Busselton Mob Mid-Week Ride : 2nd December 2020

This ride – The Keith Mead Special – had a few changes from our modus operandi. It started in Nannup, not Busselton, and at 9.00am, not 8.00am. It was all about recognising Keith's commitment in riding from Manjimup to Busselton to take part in our

fortnightly rides; a great effort especially in the winter months. The ten riders that left Busselton for a “free” ride to Nannup were joined by another ten riders at the start. Some new faces, great. Keith planned a fantastic route that led us on roads unknown to me and I suspect many others. At the morning-tea stop – Bridgetown – Keith re-briefed us on stage two of the ride which again was new and great territory. Okay, so stage two did suffer from a corner marker stuff-up but the “lost riders” still had a great ride back to Nannup, re-joined the main group, a second coffee/pie. In all, Busso to Busso, the ride was about 300klms. I believe it was a good experimental alternative ride and should be locked into our calendar as an annual first ride in December special. Thank you Keith for all your work in making this ride a success. You have the job for life. And I thank me for being the tail-end-charlie – a novel experience being at the back of the pack for a change.

At the time of printing, 104 entries have been received. Two hundred participants is the maximum with the closing dates for entries to be the 6th February 2021.

There will be no late entries accepted for the event.

Courses have been set and the sub committee are working on the administrative and logistic details such as morning tea and lunch stops.

There is always plenty of work to be done and more volunteers are welcome to put the hand up.

All meal breaks are to be COVID Compliant and therefore members are encouraged to register for an online course to qualify. The course should only take about 40 minutes to complete.

A form was passed around the meeting as Bert spoke for members to volunteer for various roles.

Ross Eaton took the floor to discuss his newly organised ride titled the **Tortoise Run**. The Tortoise Run is designed for the slower bikes and riders to enjoy. The 9th December is the first run departing from the Dolphin Centre, Bunbury.

The President rose to state that all future runs would coincided with the Mid week rides and depart at the same time and location as the mid week ride.

The meeting closed at 2115 hrs
