PRESIDENTS REPORT

Items discussed at the Committee Meeting on 20th April 2016.

Murray Rudler was welcomed and elected on to the committee to fill the vacancy caused by the resignation of Ray Buck as DOT Examiner.

We still need to find an organiser for the Charity Run after it was declined by Grub Kelson.

The timing for the 2 Day Rally is going to change and we will need to purchase 3 bar code scanners initially to trial them on runs before they are used in the 2017 Two Day Rally. It is proposed that there will be a bar code on your helmet or bike number which will be scanned making it more reliable than the old system.

The price of the Sausage sizzles on Sunday Runs will increase from \$3.00 to \$5.00 due to rising food costs.

There is a free RIDE RIGHT COURSE on Saturday 14th May 2016 at the Scout Hall from 9.00am to 12.00 Midday.

Please register for Presentation Day on 29th May 2016 either on line or with Glenda Patterson.

Section 13 of the proposed new Constitution was discussed coming into effect on 1st July 2016, but we have 3 years to conform to the new law.

Some rules will have to be implemented immediately, and some of our Constitution will need to be re written within the 3 year timeline.

CAPTAINS REPORT

Busso Mid-Week Ride Report 6 Apr 2016

A nice autumn day with clear skies, a bit chilly to start with, after the last few rides had been so hot. There were 15 bikes turned up, 3 from Bunbury and one with a passenger, but only 3 club eligible bikes.

Phil was supposed to have led the ride to Kirup but when he arrived at the start point he had an engine warning light showing on his Triumph so he decided on the side of caution and went home. After some discussion it was decided to go to Kirup via Vasse Hwy and Cundinup Rd and Darryl led the ride.

After the usual coffee and pies at Kirup we headed out Brookhampton Rd only to be turned around at a road block about 4 or 5 Ks out. After some discussion we headed down Grimwade Rd to Balingup and then along the Balingup-Nannup Rd stopping, at Nannup for a break. After a bit more discussion we headed back to Busselton via Mowen Rd and Sues Rd arriving at Busselton about 1:15pm. A good ride with no mishaps or breakdowns.
Peter WHITESIDE.

Mid-Week PM 13-4-2016 21 Riders 1 Passenger

How lucky were we today for a ride -Tuesday raining, Wednesday beautiful blue skies although a bit on the humid side, Thursday rained so the motorcycle gods were definitely favouring us. Glen & Ross E. tied for the Jenny award (last to arrive), Ross had to go home and change bikes because of an electrical problem and Glen had a flat battery when he jumped on his bike prior to leaving home.

Nevertheless we were only 5 mins late leaving along Koombana Dr, Estuary Dr, Old Coast Rd thru Australind and Leschenault to Forrest Hwy, and then down Marriott Rd where we were joined by 4 more Riders. If you happened to go on the Glen Britza Ride we were on the reverse route to Dardanup. It was really spectacular scenery riding up Henty Rd for a change, with paddocks now showing some green after recent rains the rolling hills look great.

Heading back thru Dardanup, Boyanup where bridgeworks split the group unfortunately,
NO-ONE WAITED AT THE CORNERS which resulted in some riders unsure which

way to go, luckily they knew we were going to Capel so arrived there safely for afternoon tea where John P. noticed that Faye's bike was leaking oil from somewhere.

Consequently, after a lot of head-scratching and opinions Faye decided to head for home, needless to say she made it safely. Most riders had left by 3.30pm returning home by different routes. A couple of blow-ins who just happened to be passing while there and stopped to say hello, Mac M and his wife also Pommy John on four wheels.

Busso Midweek Ride 20-4-2016

Weather was fine but overcast and remained that way for the duration of the ride. We had 21 bikes turn up (of which, two were guest riders) for the ride and one passenger.

Phil led us off (at a brisk pace, my old A7 got left in the lurch) along Vasse Hwy, Sues Rd, right into Mowen Rd to Yahava Coffee at Margaret River for a coffee break, (No pies there, we will have to do something about that!) After the break we headed up Bussell Hwy, left into Carters Rd, with a right at Caves Rd which is where we all got split up with traffic, lead foot Phil over shot Abbeys Farm Rd where we were supposed to turn and carried on to Wildwood Rd, some turned at Abbeys Farm Rd, ***NO-ONE WAITED AT THE CORNERS.***

I think at least one rider went right through to Dunsborough, however ***most of us*** met up at the truck stop on Busselton Bypass half way between Vasse and Busselton, not sure how many we lost?!! Apart from that it was a good ride with no mishaps that I know of.

Mid-Week AM 27-4-2016 15 Riders 1 Passenger

This morning's weather wasn't very flash, patches of rain but the weather map showed no rain over Balingup, our destination today. When Margaret G. and I arrived at Golden

Valley Tree Park to setup morning tea a flock of sheep were milling around the picnic area however, they soon vacated when the bikes started arriving disturbing them.

All the riders and passenger where in need of some warm drinks although there was no rain it was a bit cold. Faye had bike trouble again so left early to take the bike to Yamaha. After everyone had their fill of curried egg sandwiches and cakes as well as drinks they returned to Bunbury where it started to rain on their arrival. Good to see Barry back on his bike, if only for a short ride!

Faye made it safely to Bunbury however, she had to leave her bike in the workshop so had to be pillion on Ross's bike which according to Faye is the 1st & last time.

Don Collins Run 1-5-2016 19 Riders 1 Passenger & 2 Dogs

This year's numbers were depleted due to other events being held. Glen mapped the course but was unable to ride because he was roped into a school reunion. The course took the riders around the chilly Ferguson Valley to Donnybrook/Boyup Brook Rd, Charley Creek Rd to the Brookhampton Hall which I had made arrangements to have access to for morning tea.

Margaret G. Faye and I got food and drink organised with the help of Christine C. the carer of Brian, who is still hobbling on crutches following surgery. After warming up with soup, coffee, tea and muffins & cakes the riders departed for return to Bunbury via Donnybrook, Hurst Rd. Hynes Rd. Eaton Dr to Estuary Dr Koombana Dr finishing at BREC.

Thanks once again to my willing helpers Margaret, Faye, Christine and of course our illustrious money collector Brian who was the star of the hall judging by all the gossiping going on with him.

LIBRARIAN'S REPORT

PUBLICITY OFFICERS REPORT

Bill said that there were already 365 overall entrants for the South West Motoring Extravaganza on Sunday 15th May 2016.

The gates will be open for those displaying vehicles from 7.00am to 9.30am and then locked at 9.45am on Somerville Drive. The IHC will be situated right in front of the Horticultural Centre and there is parking for trailers and vehicles close by.

Richard was organising the Club Flags and Gazebos for the Event. He reminded the members that were displaying bikes to wear their Club shirts and they would have to pay a gold coin donation on arrival. Bill has organised placards for the bikes which will display the name and make of the bikes etc.

Volunteers were needed at the TAFE after 3.45pm on Friday 13th to help set up and after 3.00pm on Sunday to help clean up. The area allocated to the IHC is for up to 55 Motorcycles, and we have at least 40 who have shown interest so far.

John Coleman said that he had registered to ride in the Vintage & Veteran Motorcycle Club of SA 60th Anniversary Rally on the 17th -22nd September 2016 and he is now unable to go, so if you would like to fill Johns spot please give him a call.

Frank Barron is attending the Rally and has a free spot on his trailer for anyone wanting to trailer a bike to the Rally, and also room for a passenger in his car, and he would welcome the company.

Please contact Frank if you are interested. JC has just returned from the Laos and Vietnam Ride organised by Platypus Charity that helps to educate Vietnamese children, and said that the ride which was over 2000kms was a great experience. John said that they got to meet some of the children that the charity helps, most of them with very sad tales to tell of their unfortunate lives.

There was one young girl who spoke in broken English conveying her appreciation of the riders who helped to make their lives a little easier, this gave the riders a sense of pride, and gave the ride a new meaning.

There is another ride organised by Platypus in November 2016 details are in our Invitational Events elsewhere in this magazine.

Glen Britza thanked the members (Leith & Co) who organised the Don Collins Run in his absence.

JC and the members present thanked Muzza for taking on the job of DOT Examiner.
