PRESIDENTS REPORT

IHC General Meeting – 14th May 2019

Welcome to the IHC May 2019 general meeting. Summarise the salient events for the month and outcomes of the previous committee meeting:

AGM

Reminder 9th July is the club's AGM and that all office holder committee positions and ordinary committee positions will become vacant

and will be required to be filled. Nomination forms are on the club web site and have some forms here at tonight's general meeting.

Veteran Shake Down Rally – (Opportunity to Ride Veteran Bikes)

The committee discussed the inaugural event held on the 30th December last year and due to the success of the event we should make this an annual event. Special thank you to those members who allowed other members to ride their veteran bikes.

There was general agreement that we should run it again, possibly in November to avoid the Christmas new year holiday period. The committee thought that the class of bikes could be widened for people to try bikes from throughout the Pre-48 era in addition to veterans. Members thoughts?

Donnybrook Apple Festival Ride and Display

The planned Good Friday ride was abandoned due to the rain and hail. 33 machines were displayed at the festival over the Saturday and Sunday and feedback from the apple festival committee and public in general was very positive.

An opportunity was provided for the public to pick the best bike of their choice and was pleasing to see over 700 people voted. Based on the success of this event It is proposed to make it bigger & better next year, including IHC club promotion.

EAMC Sponsorship

The Early American Motorcycle Club has offered to sponsor a category award for the best presented "American Machine" for the IHC Two-day Rally to the value of \$200.00 plus trophy.

The committee is pleased to accept the donation and have thanked the club for their donation.

Incident/Accident Response

The recent motorbike accidents that occurred around Donnybrook had led to some confusion surrounding the accidents with club members and the public contacting a couple of club officials seeking details. As with a serious incident there will be police protocols to be followed both in respect of investigations and notifying family members.

It is important to note that the Club President is the only IHC member that is authorised to speak on behalf of the club. If any member receives information regarding a motorbike accident/incident relating to either the club's activities or general public, they should advise the club president or in his absence the Vice President.

CAPTAINS REPORT

Mid-week Run PM 10 April

What a top day, I left the route to Leigh. Just a short ride to Ironstone Road then back to Eaton where Leith had afternoon tea organised with lots of curried egg sandwiches for Bill. It was good to see sick or injured club members turn up and have a chat.

Small & Old Bike Busso Run

Not a bad turn out as the drizzle started to come in as I reached Busselton. Never mind at least the bikes were water cooled on our journey to Capel using the back roads. Good to see the 27 BSA out for a stroll and the ride had no breakdowns. When we got to Capel we were greeted by John, Tracey, Leith & John. All up time well spent on the bikes.

The Glen Britza Run 14/4/2019

The weatherman promised thunderstorms, but we only got 2 short showers. A nice meander to Harvey Dam via Sandalwood Rd, where

Leith was waiting for us for a cuppa and hot cross buns. From there we went to Kenny's house for a sausage sizzle, via the back roads of Harvey. All up a good ride just around the 110Kms.

Busso Mid-week Run 17th April

Yes, autumn is just around the corner, with a good turn up we headed to Nannup via the end of Sue's Rd. Pete the pied piper and Terry 2 as the tail end Charlie. With a stop at the end of Sue's Rd to stretch your legs and regroup. Then off to Nannup where Keith from Manjimup was hiding with 2 women. Very hen pecked. A stop at Blackwood Cafe for a cuppa & pie for a change then started to tell stories. All up a good day out thanks Pete for the day out.

Busso Mid-week Ride Report 17/4/2019

12 members and one visitor turned up for the ride today, and a nice autumn day it was too.

We headed off all the way down Sues Rd to the end turning left into Brockman Hwy then on to Nannup for morning tea at The Blackwood Café, a bit disappointed with the service there this time, some missed out on pies, and the coffee was cold when we got it about ½ hour after ordering it. Could be a bit of my fault as I did not ring and tell them we were coming??!! I will have to do better next time!

After our cold coffee we headed back along Vasse Hwy taking the loop around Cundinup for a change and arriving at Busselton about 12:30. Another good ride very enjoyable.

Peter W

Mid-week Run 24 April

The House that Jim Built. 15 riders from Bunbury & 12 from Busselton, Turned up for a pleasant ride to Jim's house at Chapman Hill. We met up with the Busso Boys at Capel had a chin wag for a change then proceeded to Jim's house to be greeted by Leith & helpers with morning tea and of course Jim.

Jim opened his sheds to show off his collection of cars & bikes. Thanks again for Leith and her curried egg sandwiches and Jim for opening his house.

Mick Turners Rigid & Girder Run

Another top day, and a good turn up. Good to see some people from Perth & from Busselton turn up for the run. A meander past Leschenault through Brunswick, and morning tea at Burekup. Then Dardanup and to Gelorup to Steve's house for a sausage sizzle and refreshments. All up a good day out thanks to all that made it happen.

Indian Harley Club Ride – Busselton 1/5/2019

First, a very big thankyou to Peter Whiteside for being our Busselton Group Liaison Officer for as long as I can remember. Great job Peter, sad to see you step down; we all appreciated your enthusiasm and leadership.

Also, thanks to those members who proposed/seconded me into this job. Revenge is nigh.

Some 10 brave riders fronted to face the coldest day of the year so far. Two ride options were given with the shorter round-about trip to the Margaret River Chocolate Factory winning. voting 7:10. The other option was Manjimup – a longer, colder journey.

The stay at the factory was welcomed, good food, coffee, free chocolate samples. We elected to ride home via Cowaramup and Jindong Treeton Road. All went well except for me – accidentally left the top-box unzipped and consequently I left a trail of items along the highway. Greeee..... Thanks to Terry Germain for being our regular TEC.

John Lewin

Phil fell off his push bike and cracked a rib, so he was missing, get better soon.
