### **PRESIDENTS REPORT**

At the start of the meeting Richard said how great it was to see Bob Brittain turn up on his bike at the Coastal Run. Although still unable to work Bob is looking well and on the mend.

Wilma & Bob will organise and cook the sausage sizzle on Sunday the 19<sup>th</sup> February for the Show & Shine Day (formerly Examination Day) Shine up your bikes and bring them out to the BMCC Clubrooms and show them off and maybe get a tip or two for any queries you may have about restoration from the experts.

The 2 Day Rally entries have closed with preparations going well for the big weekend. Ann Buck has volunteered to sell Merchandise at the 2 Day Rally.

It was decided at the last Committee Meeting that we would attend two agricultural shows per year. It was decided to alternate between Bridgetown, Margaret River & Harvey Shows each year.

This year we will go to the Harvey Show on Saturday 29<sup>th</sup> April and the Bridgetown Show on Saturday 25<sup>th</sup> November, 2017.

The Club will also support the Mega Motoring Extravaganza on the 19<sup>th</sup> March 2017 being held at the Bunbury TAFE.

The club gazebo's are looking a bit tired and worn so Richard will investigate the cost of replacing them.

The end of the Membership Year is the 31<sup>st</sup> of December, so memberships need to be paid before this date, remembering that if you pay by cheque they usually take 5 working days to clear before they reach the Club Treasurer.

Be aware that if your membership is not paid by the 31<sup>st</sup> December your 404 concessionally licenced bike is unlicensed and uninsured on that date, there is no grace period allowed by the Department of Transport.

There is now a facility on the website (and in person) to pay your fees up to 5 years or more in advance, if the fees are increased in those 5 years you do not need to pay the extra amount. This makes you a winner two fold, you have the potential to save money, and you will not run the risk of jeopardising your concession 404 licence.

We are still looking for a Secretary to fill the position when Faye stands down after the AGM in July. It is not a difficult job but one that takes a considerable amount of time, so if you have some spare time and would like to learn the way the Club works please consider it.

The job does not necessarily have to be done by a club member it can be the husband/wife or girlfriend/boyfriend of a member, so please if there is someone that would be willing to take over the position contact Faye so that she can give you a bit of training before the AGM.

## **CAPTAINS REPORT**

### **Midweek am 11-1-2017 15 Riders**

Unfortunately I was unable to attend this ride however, I am informed by John that Neville G. led the riders on a very good meander which finally finished at Capel Bakery which everyone enjoyed.

### **New Year Run 15-1-2017 30 Riders 4 Passengers including 6 riders from Busselton**

We hope new member Stephen Andrews who is the organiser of the Black Dog Ride enjoyed the day. There was a great mix of modern and vintage bikes, the eldest being Syd Taylor's 1937 Velocette which didn't miss a beat.

It was perfect weather for a scenic ride through Dardanup, the picturesque Ferguson Valley, and Burekup stopping at Brunswick Bakery for Morning Tea. After morning tea we meandered through the back roads of Kemerton and Brunswick to arrive at Neville & Margaret Greens for a beautiful lunch which included sweets by Wilma Little.

The shady area of the Green's yard was welcome relief from the hot sun. It was nice to see the ladies who weren't riding come and join us for lunch.

Thank you Leith & John for mapping the great course, and sorry you were both not well enough to join us.

Thank you to Neville, Margaret & helpers for the lovely lunch. Thank you to Bert & Neville for doing the Scanners and Glenda & Ann for providing the backup.

### **Busso Midweek 18-1-2017**

A very pleasant summer's morning for a ride, 13 bikes turned up and two passengers, 4 from Bunbury. There was no ride organised so it was decided to go to Boyanup by a route that came to my head as we went!

We headed out Chapman Hill Rd, did a meander around Ambergate Estate then along Queen Elizabeth Rd, Doyle Rd, Chapman Hill Rd, Kalgup Rd, Acton Pk Rd, Vasse Hwy, Ludlow Hithergreen Rd, Tutunup Rd, Capel Tutunup Rd, Goodwood Rd to Capel then along Railway Rd to Boyanup where we enjoyed our coffee and pies etc. and a good old chat.

From there, some of the boys headed straight back to Bunbury the rest headed back along Railway Rd, Boyanup Rd West, Bussell Hwy, Roberts Rd, Mallokup Rd, Ludlow North Rd, Tuart Dr, Layman Rd to Busselton arriving about mid-day.

A good ride with no mishaps or losing any one. **Peter Whiteside**

### **Midweek am 25-1-2017 16 Riders 1 Passenger 1 Driver + 1 Dog**

Neville G. led the pack on a pre Australia Day ride to Brookhampton Hall via Koombana Dr, Ocean Dr, Washington Ave, Bussell Hwy, and Boyanup West Rd to Boyanup. Then along Sth West Hwy to Bridge St & Hurst Rd, to Donnybrook.

The ride continued to Donnybrook/Boyup Brook Rd, Charley Creek Rd, Wildemere Rd and Brookhampton Rd stopping at the hall under the shade of the oak tree where Wilma L. Margaret G. and I were waiting with some Aussie morning tea, lamingtons, Tim Tams, bread and Vegemite and of course curried egg sandwiches.

As the temperature was rising it was very pleasant in the shade. Thanks to Margaret for helping out also Wilma who made the lamingtons as well as helping.

### **Bert's Breakfast Ride 29-1-2017 18 Riders 5 Passengers**

Another chance for testing of the 2 Day scanners, Bert mapped out a really great course leaving BRECC travelling thru Eaton, Australind, Wellesley, Mornington back to South West Hwy to Wokalup Tavern for breakfast where 2 additions for breakfast awaited, Margaret G, & Sandy E.

Everyone enjoyed their breakfast, the big breakfast was a sight to behold with the costs being very reasonable. Eventually everyone headed back via Kemerton to Australind boat ramp for final scan, and the scanners were 100% this time. Great morning for a ride, thanks to Bert for great route and to Lindsay G. for backup.

### **Busso Midweek Ride Report 1 February 2017**

A total of 16 bikes turned up for the ride, one passenger and one visitor on a day that was all most perfect for a ride. Terry 2 had the ride organised, and led the ride out, we headed out Causeway Rd then up Strelly St past Bunnings to the roundabout on Bussell Bypass, unfortunately the traffic was very heavy and it took some of the end riders at least 15 min. to get to the roundabout rear Bunnings so the ride got very split up, there where groups going in different ways to Witchcliffe our destination for morning tea, however we all got there OK, Tom took a bit longer than most but he got there.

After our pies, coffee and a chat some headed straight back the rest headed back along Davis Rd, Rosa Glen Rd, Rosa Brook Rd, Jindong Treeton Rd, Payne Rd, Kaloorup Rd, Rendezvous Rd arriving back at Busselton about mid-day.

A good ride on a very pleasant day, even if the start was a bit of a fizz. **Peter Whiteside**

### **Coastal Run 5-2-2017 40 Riders 5 Passengers**

Great roll-up for this very popular ride, especially heartening to see Bob Brittain ride out to Capel following his bout of ill health, although he didn't compete in the ride everyone was very pleased to see him out and about.

Leaving Capel Tavern where Darryl and Grandson Alex sorted the poker cards, group headed off out to notorious Capel/Tutunup Rd, Ludlow/Hithergreen Rd meandering around until we reached Acton Park Hall where Jenny had set up morning tea with help from her entourage.

After lots of eating, drinking and chatter, time to leave and see another poker card displayed by Jenny and Jacqui before riding around Chapman Hill, Kalgoorup, Jindong, Yelverton, followed by a great ride around the hills of Yallingup, as Darryl tends to plan, finally making it to Dunsborough for lunch.

Very pleasant weather and great company at the pie shop before leaving to ride back thru Busselton to Tuart Dr where Jenny & Jacquie were waiting with the cards again. Then a nice short ride back to Capel Tavern from whence we started for final card, distance Capel return was 180k's.

Thanks very much to Darryl for another great ride and to the myriad of helpers, Jenny, Jacqui, Brad, Kaila and Alex Warner, Margaret G, Rick & Chris Miles, Tracy Woodward and not forgetting Alan Woodward who was the back-up for the day and was needed when Dennis H. had problems with his bike (it died for some unknown reason).

Carty also had a problem when the mudguard came loose but was able temporarily fix it with a cable tie. More work for him to do when he got home.

### **LIBRARIAN'S REPORT**

Amanda said that she needed more motorcycle magazines for the library. If members have magazines that they have finished with please donate them to the Club Library.

### **PUBLICITY OFFICERS REPORT**

The Lishman Foundation has taken over the organising of Mega Motoring Extravaganza and this year there will be a \$5.00 entry fee for exhibitors. Bill needs to know how many

members will be displaying their bikes on the 19<sup>th</sup> March 2017 soon, so that he can complete the nomination form. Please contact Bill if you are interested.

We will be displaying at the Harvey Show on Saturday 29<sup>th</sup> April and the Bridgetown Show on Saturday 25<sup>th</sup> November. More details will be available about the Harvey Show at the next general meeting. Please also advise Bill if you are going to attend these events.

Nothing has been organised for the Mad About Motoring Event at Hay Park on Saturday 8<sup>th</sup> April 2017, but if members want to attend we will make it a sanctioned event enabling you to take your old bikes.

### **PROPERTY OFFICERS REPORT**

Ross said when he checked the shed for the First Aid Kits in readiness for the 2 Day Rally he discovered that 2 of the 3 were missing.

The one locked in the toolbox in the trailer was still there, but the 2 kits that were just sitting on the shelves were missing. On reflection it is thought the kits were stolen when the shed was broken into in September 2016. Four new First Aid Kits have been purchased and locked in the library cupboard at the club rooms.

The security gate at the entry to the shed yard has been extensively damaged and reported to the Council.

### **LICENSING LIAISON OFFICERS REPORT**

The grace period for paying you membership fees is nil, this is nothing to do with the Club it is a directive from the Department of Transport. If you pay your membership fees after the 31<sup>st</sup> December your concessionally licenced bike will be unlicensed and uninsured.

Jeff will be watching this closely because he has to put his report in on the 1<sup>st</sup> January each year.

### **Over 85's**

The Department of Transport have been in meetings within the department itself, but nothing to do with the minister, making all of our letters to the ministers a bit of a waste.

The new minister has to endorse the policy change about over 85's not needing a practical test; it has been approved within the department it just needs to be approved by the minister.

When this is done there will need to be administrative, websites and publication changes before it can be adopted. If all goes to plan a 3 year trial could start as early as March this year. It is proposed that the 3 year trial will remove the need for over 85's to undergo a practical riding test providing they meet the medical requirements.

If you are issued with a letter from the Department of Transport on turning 85 years of age please show it to Jeff so that he can help you fill it in correctly that way you will not hinder your chances of keeping your licence.

Moving from an "A" to "B" class you no longer require a letter from Jeff or the Club, what you need to do is fill out the new CMC1 form which states that your bike is over 25 years of age and meets the requirements of Concession 404.

The new CMC1 form is to be signed by Murray in his capacity as Machine Examiner, and the form needs to be taken by the club member to the D.O.T. to be counter signed.

When the new CMC1 form was introduced at the start of February the Department of Transport took away all the agencies rights to endorse or code the form, which means you will need to take your form into a DOT official office.

If you take your form into an agency please be prepared to wait a day or two because they will need to fax it to an official DOT office.

### **WEBSITE MANAGER REPORT**

We have now introduced multi period memberships. At any time, you can log in to your profile on our website and add a year to your membership. Why would you want to do this? If you extend your membership before the AGM you will lock in next year's membership at this year's prices should any increase in fees occur.

And in addition, you will be spared getting endless annoying emails and invoices at the end of the year. If you have a concessionally licensed bike you will have no risk of membership lapsing and causing problems with your licence and insurance. Of course, we can also accept cheques in the mail, but please ensure that you include your name and an explanation as to why you are sending us money.

### **GENERAL BUSINESS**

#### **Argyle Run**

Joe Zappa has advised that due to the recent bushfire at his property the Argyle Run that he usually organises for August 20<sup>th</sup> will be now organised by Ricky Fraser.

#### **Terry's Mystery Find**

Terry gave Faye a plastic bag containing 8 books of raffle tickets and a \$50.00 note found while cleaning out his shed, he assumes it was from last year's 2 day Rally. Thank you for your honesty Terry.

Terry Germain still has Route Sheet Holders available for \$55.00 each.

#### **2 Day Rally**

Bert said we have 158 entries for the TDR incorporating 17 sidecars. The courses have been completed and checked, and Bert thanked Neville Green for his help in checking the courses.

There will be intermediate check points along the routes where the scanners will be used. The barcodes should be placed on the left hand cheek of competitors helmets because it was found that this was the most successful area to scan them.

There will be a meeting for volunteers on the Wednesday the 1st March at 6.00pm with training for Pit Marshalls, and using scanners etc. This will be followed by a sausage sizzle, at 6.30pm. If you have been allocated a job to do you will be contacted by phone to attend the meeting?

**Volunteers are needed for Friday 3<sup>rd</sup> March to set up the club rooms and grounds of the BMCC in readiness for the weekend. If you are able to help please turn up at the Club Rooms early Friday morning.**

### **Lions Australia Day Breakfast Boyanup**

Murray said the Australia Day Breakfast was a huge success with the lions Club raising \$2,000. There were 57 bikes on display and 31 riders taking part in the run. Faye will send a letter to Peter Hayes of the Boyanup Lions Club thanking them for their support of the event.

Bob Mitchell said the visit to the Police Memorabilia Shed which was incorporated into the run was very comprehensive and well worth the visit.

### **Visitors on Club Rides**

Peter Whiteside asked if the Committee could make a ruling on how many rides a visitor could do on Club Rides before they needed to join the Club. The Committee will discuss this at the Committee Meeting on Wednesday 22<sup>nd</sup> February 2017.

### **Auction**

Bernie McCormack then auctioned the following items that were donated by Brian Cartwright. 4 Motorcycle rims, 1 Motorcycle tyre, 1 Motorcycle tail light (sold as a lot) - purchased by Murray Rudler for \$10.00

### **NEW MEMBER NOMINATIONS**

The following person has applied for membership to our club. If any member believes it is undesirable for the applicant to be a member, they should make their objections known to the Secretary 5 clear days before the next ordinary meeting on 97971709 or PO Box 317 Bunbury WA 6231.
