## Two Day Rally Busy Bee

Please note that due to another event the Two day Rally Busy Bee date has had to be changed to Sunday 28th February starting at 8:00 am at the BMCC clubrooms. The more volunteers the better so we can clean up in double quick time. Bring along rakes, gloves etc. as there are a lot of leaves and other debris to be removed from around the grounds. Hope to see you there.

## Busso Midweek Ride Report 20 Jan 2021

Our usual ride leader turned up on his scooter wearing bright yellow (or was it orange) shorts, we decided we did not want to ride with him looking like that! Not really, his excuse was it was his wife's birthday and he had to take her out to lunch and wasn't game to tell her it was ride day!!!!??? I know the feeling! So, I put my hand up to lead, and Phil volunteered for back-up.

It was a very nice day for a bike ride with 22 bikes turning up. John had set a course for us to Witchcliffe with not so many corners, as last ride there was a lot and he thought we were still a bit dizzy from that ride.

We headed off West down Bussell Bypass into Queen Elizabeth, Payne Rd, Jindong Treeton Rd, Rosa Brook Rd, Rosa Glen Rd, Davis Rd to Witchcliffe stopping at Cookies Galore Cafe for morning tea, where we had our usual coffee and pies, very quick and good service, seeing Witchcliffe was packed, I have never seen Witchcliffe so busy, there was very few parking spots left in the town.

After morning tea, the ride split in all directions with some head down to Augusta for a bit longer ride.

A good ride was had by all.

## Busselton Mob Mid Week Ride : 10th February 2021

Our first Mid-Week ride post the five day Covid lockdown - 24 bikes from Busselton and a similar number from Bunbury – about 50 all up. And to add to the excitement, the combined mob just happened to come across the new Tortoise Mob on course to the same destination. So, we had a tad of road confusion with fast/slow bikes and duplicated corner markers. Hmmm!! ..... I think we need to reflect on this and avoid the riding culture clash in future.

The Busso Mob route included a sweep of Capel to pick up Clive Cooper, then to Boyanup to join up with the Bunbury Mob. The combined Mobs then enjoyed some great back-roads to Donnybrook and again more backroads to the coffee/pie destination; Balingup. The large pack of riders did trigger a bit of café proprietor anxiety as we took over the two outlets and the town.

Thanks to Phil Bussanich for acting as the TEC for the ride. Our next ride will be a mystery job, new roads and a new destination.

## Pre 48 Early Morning Breakfast Run

### Early Morning Breakfast run

A day of four seasons was what the weatherman said. I was very pleased with the turnout of bikes. We had 4 Indian chiefs, 6 Velocettes, 2 pre 31 machines, A Matchless, Triumph, Norton, AJS and a short visit from a Honda but the day was had by the ever expanding interest in BSA m20's – 8 in total. Maybe BSA where right to say "The World's Most Popular Motorcycle"

A short first leg to Evedon Lakeside retreat for Breakfast required navigation of an unannounced gravel road. Here I will admit my error in choosing St Helena Rd instead of Harris Rd and Apologise for the dust landed on some fine vehicles. I was asked If I will be washing a few of these to which distraction prevented an answer.

Fine company and a good Breakfast was being enjoyed when the delightful view out the window was stolen by a solid rainfall, and the fleet was washed free of dust and No washing of another riders mount was required. However, there were hushed mumblings of water marks and the chance some sparks may have been stolen by the rain.

On we headed to view the mural's progress on Wellington Weir wall. Turned out one spark was lost on the front cylinder of an Indian chief. Easily fixed. A lot of people were enjoying the weir and Collie river- and the sunshine.

No breakdowns but an opportunity was taken to take a picture of an Indian on the back of a ute just packed for the return to Perth. This picture was then sent to Mr Keenan for his approval as he has a fine eye for how to do this job.

Thanks to all involved- Rick

**NOT THE (WET) COASTAL RUN**

## **Busselton Mob Mid Week Ride : 17th February 2021**

A record breaking turnout (on my watch) with 35 riders all revved up and ready to go on our longest ride yet. The weather; very close to perfect – well maybe just a tad hot towards the end of the ride.

The Busselton Mob was joined by Bunbury members at both Capel and Donnybrook. After our first morning tea break, the route to Wellington Dam was via Donnybrook/Boyanup Brook Road, Ferguson Road, Wellington Mill Road, the new Wellington Forrest Road, Pile Road and finally Falcon Road. Some great twisty stuff. A brief stop to check out the dam and then off to Collie, under John & Tracy's guidance, for our second tea/coffee break.

Most riders took the return journey via Mungilup Road, a great piece of bitumen spoilt by some seemingly unnecessary speed restrictions (my opinion).

Thanks to Phil Bussanich for being our TEC. An important role but not without risks, apparently. I heard Phil was attacked on the home stretch, somewhere near Dardanup. A bee took exception to him for some reason and got stuck into his neck, forcing Phil to stop and apply first-aid.

## **Secretary Wanted Urgently**

Unfortunately our club secretary, Mr John Keenan, has had to resign at short notice. We need someone to take over this important role ASAP, as the club cannot function without a secretary. If you are unable to help, please ask your husband, wife, partner or best friend if they would be able to do it. Many thanks.

**PRESIDENT'S REPORT** Michael Rock

1. Two Day Rally: This is the biggest single opportunity to showcase our club and we have an enviable reputation for putting on a good show. As always it is the volunteers who make it great and your donations of time, goods or money are what make it such a great value weekend of riding.

In the past we have enjoyed the great pre-prepared meals brought in by many of you and your friends and family. This year the rules have changed and all meals will be prepared on-site by Covid approved methods. Donations of your time, goods or money are still very welcome, just slightly different.

As members of the host club, we all share the responsibility to ensure our guests are safe. This means we should all encourage compliance with the social distancing and hygiene rules as will be displayed on-site and announced regularly on the PA.

2. C4C and 404: The new Concessions For Classics (C4C) Scheme will become law on 16 April 2021. This will allow modified vehicles greater access to legal road use and is separate to the Code 404 Concession scheme we use.

Due largely to successful lobbying by the CMC and member clubs, the proposed changes to the 404 scheme are now on hold for a further 12 months so there should be ample time for consultation and negotiation. We are attending the relevant CMC meetings and will be ensuring that any and all concerns we have are presented.

3. Kitchen Renovation: The renovation of the BMC Clubrooms Kitchen is progressing ahead of schedule and barring any disasters, should be ready for our Two Day Rally. Some of our members are involved in the works. We have a request from the BMC for volunteers to pressure wash the old stainless steel stove and fryer.

**Business Arising from President's Report:** Ryan Loverock kindly volunteered his services to clean the stove and fryer.

### **CAPTAIN'S REPORT**

Dave Lind gave a brief to members on the Club rides that had taken place since the last General meeting and updates on future rides.

**Licensing Liaison Officer Report:** Steve Turner nil

**Licensing Officer Report:** Murray Rudler nil

**Editors Report:** John Presland nil

**Property Manager Report:** Richard Clark nil

**Librarians Report:** Amanda Bernhardt nil

**IT Manager Report:** George Johnson nil

### **General business:**

1. Ross Eaton gave members a safety reminder regarding the use of air compressors and the danger that poorly maintained compressor tanks pose to users.

Ross also spoke about the newly introduced "Tortoise Rides". There have been three so far and they are becoming more popular with members.

2. Frank Barron reminded members of the second mid-week ride in April to Narrogin that will be stopping at his place. Neville Green will be the backup driver.
3. Bert Sykes gave a detailed brief on the Two Day Rally progress to date.

Emphasis being place on the COVID situation and the need to be vigilant and compliant with restrictions and protocols that are in place.

COVID laws and protocols will apply to all venues that the TDR attends.

Bert advised members that the working bee preparation date for the TDR that was listed for the 27<sup>th</sup> February has been moved to the Sunday, 28<sup>th</sup> February.

### **AUCTION:**

An auction of sundry items was held including two boxes of Carburettors and a Harley Davidson shoulder bag.

**There being no further business, the President declared the meeting closed at 2100 hrs.**
