CAPTAINS REPORT

Busso Mid-Week Ride report 2 Mar 2016
16 Members turned out for the ride and one visitor, 6 members where from Bunbury.

John H lead us off on an ideal day for a bike ride along Bussell Hwy, Tuart Dr, Ludlow North Rd, Stirling Rd to Capel then along Gavins Gully Rd, Boundary Rd, Lowrie Rd, South Western Hwy to Boyanup for a short stop.

Tom on his Z900 was a bit low on fuel so decided to go to Donnybrook for fuel," he didn't make it" (no fuel at Boyanup) and had to be helped out by a nearby farmer.

We then headed out Boyanup Picton Rd, (without Tom) then I think we turned into Dillon Rd and somehow got to Ferguson Rd (I'm not sure that John quite knew where he was going) then into Wellington Mill Rd to Gnomesville which was the intended destination (Well done John) for a short stop.

Then headed along Lowden Rd, Donnybrook Boyup Brook Rd to Donnybrook for morning tea/lunch. From here the Bunbury boys headed straight up the highway for home the rest of us returned to Busselton via Goodwood Rd Sterling Rd Ludlow North Rd Tuart Dr and Layman Rd. A good ride with no mishaps to report.

PETER WHITESIDE

Midweek PM 9-3-2016 23 Riders 1 Passenger

Felt like the Pied Piper today, 16 bikes departed Dolphin Centre, 2 riders joined in Australind, 3 riders joined in Leschenault and a further 2 on Buffalo Rd. Everyone had been advised that the ride to Myalup would be the short section of ride, we arrived at the Crooked Carrot Cafe about 2.10pm where tables had been arranged so most people could sit together.

After great coffee and food we did a bit of a meander around back of Harvey, Alverstoke and even managed to ride Alma Rd (Cow Poo Rd) without any cattle hindering us. It was very pleasant ride weather wise for change and I didn't lose anyone. The TWO DAY RALLY was another successful rally for 2016 and I am sure everyone enjoyed themselves. Congratulations to Bert Sykes, who was the overall winner this year.

Busso Mid Week Ride Report 16 Mar 2016 21 riders turned out for the days ride, 8 where from Bunbury and 2 passengers.

Darryl led the ride off down the Bypass to Vasse turning right at the roundabout and then down Caves Rd to Dunsborough, then along Cape Naturaliste Rd to Eagle Bay and the Light House.

From there they did a roundabout trip to the Dome at Dunsborough for coffee and a chat. After coffee they meandered their way back to Busselton down Caves Rd, Wildwood Rd, Bussell Hwy stopping at the truck bay on the Bypass and splitting up from there. I was told it was a relatively short but good ride that I missed out on.

PETER WHITESIDE

Midweek AM 23-3-2016 5 actual riders.

After all the planning to arrange a combined morning tea with Busso and the ladies cooking up a storm, the weather decided to put a real dampener on the event. With pouring rain in Bunbury and supposedly not in Busselton John P. set off to the Dolphin Cen-

tre and found a wet and bedraggled Neville G. after which a very wet Glen arrived (no wet weather gear).

After a bit of discussion it was decided Neville & John would go to our place and swap into the car while Glen would be picked on the way which they duly did to find he had a complete change of clothing on because he was rather wet. Margaret G. & I arrived at the hall very dry where Jenny, Elaine & Christine were setting up plenty of morning tea. It was not long before 5 damp Busso riders arrived as did David L. with his harem, Kay & Nola, in a car. Eventually Bunbury Boys arrived for morning tea to a bit of commentary from others and started up the party again. Thanks to Busso ladies for providing morning tea.

After everything back in place, hall locked up set off for home along Acton Park Rd where Jenny & I had to stop our cars to do a bit of cow herding. John P. reports that on their return journey Glen thought it might be good idea for the club to buy a pensioners bus so the Captain could go around and do a pick up on rainy days.

Glen Britza Run 3-4-2016 32 Riders 5 Passengers

Great weather for a ride, Glen arranged a meander thru Dardanup West, Dardanup, Ferguson Valley, and Burekup to Brunswick for morning tea where participants didn't eat too much because of the promise of lunch at Neville & Margaret's. After break, group headed north of the town before turning left to ride thru Wellesley to Forrest Hwy, continuing on Hwy to Buffalo Rd, thru Leschenault to Settlers where Neville, Margaret, Sharon and Ben had everything organised.

With the weather warming up and the football starting at 1pm everyone had departed by 12.30pm (don't know why they bothered). Thanks to the Green family once again for hosting the club.

Please Note: I have in my possession several food containers not claimed after 2 day Rally. Please contact Captain Leithal to claim.

PUBLICITY OFFICERS REPORT

The IHC has been promised a central spot at SW Motor Extravaganza on the 15th May 2016.

The gates at the side of the TAFE on Somerville Drive will be open from 7.00am until 9.45am for display vehicles to access the venue. Entry cost for people displaying vehicles is a gold coin donation and for others it is Adults \$10.00 Families \$15.00 Students & Concession \$5.00 and children U12 free.

There are a lot of vehicle displays and food vans and it should be something that the Club supports. Bill will source some signs from Shannon's to put in front of each bike on display with a description and year of the motorcycle.

LICENSING LIAISON OFFICERS REPORT

One small but significant requirement of our club is that all bikes over 25 years of age are required to have an annual inspection before they can be ridden in any event. This is a mandatory requirement and is enshrined in our constitution to maintain standards. With this in mind and recent developments /delays from the DOT our Committee has decided to continue with annual examinations for a couple of reasons –With nearly 400 bikes on our register we feel we have a responsibility to maintain our recording, safety and original standards.

Examination day is the one day of the year where we aim to get 100% of our members “turn up”- this provides us with a very socia-

ble day, but also gives us some control to ensure that members recognise we are not just a means of getting cheap licensing.

WEBSITE MANAGER REPORT

Nominations are now open for positions on the Indian Harley Club Management Committee. All positions are declared vacant at the AGM held in June, so you can nominate for any job you would like. Nomination forms are available on the documents page of the website, or there is a link on the home page where you can nominate online.

We have expanded the range of magazines available online. As well as The Indian Motorcycle Club and the Early American Motorcycle Club we now have the Oz Vincent Review and the VMCC Vintage Chatter. You will find them on the documents page.

GENERAL BUSINESS

Neville Green moved a motion that the Term Deposit be reinvested at the Treasurers discretion for another year and it was seconded by Bill Pike and was carried unanimously.

Russell Jeffrey is currently in hospital recovering from an appendix operation, we wish you a speedy recovery Russ.

Ron Gill will be 92 on Thursday 14th April 2016 what a wonderful achievement.

Ross Payne is in a Care Facility in Harvey if you have the time I am sure Ross would be grateful of a visit.

TREASURER'S REPORT- UNAUDITED

A Full Report will be made available and published once Syd Taylor the Club Auditor has reviewed the financial books of Indian Harley Club (Bunbury) Inc.

For the Financial year 2014/2015, our opening cheque book balance started at \$3,505.44. The closing cheque book balance was \$7892.51 Our Term Deposit was increased by \$10,000.

Glenda said that she did not think most of the members were aware that on the weekend of the 41st 2 day Rally we were visited by Officers from the Liquor Licencing Department who checked to see that all our paperwork and liquor regulations were being adhered to.

To the credit of the Club and those managing the Bar, everything was in order on the day, thus avoiding closure and fines in the vicinity of \$10,000.00. This would not have been the case if drinks were served earlier than the allocated time on the Permit.

PRESIDENT'S REPORT

Bob thanked the Membership and Committee for all their hard work during the year without whose help the Club would not function as well as it does. He thanked the members who continually went above and beyond what was expected of them.

SECRETARY'S REPORT

We have had another successful year with lots of hard work being put in by our committee and members from Bunbury, Busselton, Mandurah, Manjimup, and the pre 48 Section.

I try to send personal letters to all our wonderful members who cater, map the routes and do Back-Up for all our runs, but if during the year I have forgotten someone I apologise, please accept this as your personal thank you, we could not manage without the help of you very special people.

Those wives and girlfriends of members who never cease to amaze with their beautiful cooking and catering skills, I thank you again for the wonderful job that you do.

I thank the hard working Committee Members who always go above and beyond the call of duty, either because they love doing it or feel that they have taken on a job and need to give it 100%. These people do not get personal thank you letters, so as Secretary I would like to thank you all on behalf of the IHC for your continued support. Without you all we would not have a Club that puts on such great events and Rides during the year.

To the new and younger members of the Club I would like to encourage you to take up one of the Committee positions or at least volunteer to help during 2015/2016 at some of our functions or rides.

Some of the older members of the Club have been putting up their hands and stepping up to the mark since the inception of the Club in 1971. They would now like to impart some of their knowledge and take a step back, so that some new blood and ideas can be injected into the Club.

At the AGM all positions on the Committee are declared vacant so there is opportunity for all members to nominate for a position.

FAYE CARN
IHC SECRETARY

CAPTAIN'S REPORT

This year has been a very successful year as far as rides go. The midweek rider numbers have surged in Bunbury and with the introduction of regular midweek AM rides by Busso Boys which are also attracting some riders from Bunbury. There are also more riders joining the club from around the Busselton area who enjoy these midweek rides.

The weekend rides are also well patronised with the combined totals of Bunbury, Mandurah and Pre 48 Group.

All in all the club continues to grow and with new members comes new ideas and initiatives. I would also like to thank all the members who have suggested good areas & places to go for rides.

CAPTAIN LEITHAL

LIBRARIAN'S REPORT

Amanda said that the Library had a lot of new books donated by Howard Whalen and 'thanked Bob for the addition of LED lights in the book cupboard making it easier for her to see.

PUBLICITY OFFICER Nil to report.

**LICENSING LIAISON OFFICER-
MACHINE REGISTRAR**

Another eventful year come and gone – sadly again as I pointed out last year a lack of members willing to put their hand up to assist in the running of the club. This makes it difficult for the few hard working members to shoulder all the workload of what is a very busy organisation.

Perhaps this year we will see some more of our newer members "step up to the plate" – we need strong committed members to keep the club at a high standard and with 300

members I was surprised and disappointed to see so few nominations for the committee positions.

We finished this year with 36 Machines on A class, 368 on B class and 3 Specials. Ray Buck and I have had another busy year in processing 42 new registrations, just 5 short of last year and a few bikes have left the club or the members handed their plates in. These have been replaced by the hard working, inspired and dedicated restorers in our club which has maintained the number of bikes on our register.

Many of these restorations are pure "works of art" and there never seems to be a shortage of raw materials still out there waiting to be touched by their "magic wands" – These valuable contributions to our motorcycling heritage are an absolute credit to you. Well done to you all! Please remember the importance of traceability documentation when importing bikes from overseas or the Eastern States.

This bit sounds like a broken record – but - There ARE changes coming to the Licensing Category Concession 404 which covers our bikes that are 25 Years or older. They told us this would all happen in Sept 2013 and we are still waiting. These will be detailed in full when the Department of Transport in conjunction with the CMCC issues the updated information booklet. IHC Members will be kept informed of the effects of these changes as soon as the laws are passed through parliament – until then, NO CHANGES can be initiated and rumours that other clubs have already changed are seen by the D.O.T. as "jumping the gun".

The IHC committee has worked through them in regard to the Constitutional effects so we will be ready to act as soon as we are given the green light.

2015 Examination Day in February this year was more successful on the day than last year and as usual was carried out with professional enthusiasm by our hard working team of Scrutineers and was well supported by the ACTIVE members of the club. The sausage sizzle in Bunbury was well received and many thanks to Bob & Wilma for their effort. However there was a significant number of INACTIVE Members that required a waste of valuable time and club resources chasing up errant / lost or missing members without current Roadworthy Certificates.

In closing I would like to thank the President and the Committee, a very special thankyou to Ray Buck for all his hard work, encouragement and enthusiasm for the job over many years. Bucky has indicated this may be his last year in the job and the Committee has endorsed an application to D.O.T. from Murray Rudler to take over the reins. Last but not least, all the Scrutineers for their support that makes my job a pleasure.

WEBSITE MANAGER

As was announced at the 2014 AGM our Internet service provider MySouthWest ceased operations in September 2014. As a result of this the committee decided to upgrade to a new system provided by a Canadian company called Wild Apricot.

This system provides our website and also includes membership management, events management, online payments and some accounting services. Members now have the ability to log into the website and see member only information and they can also examine and modify their own records – for example change of address or phone number.

This system is also used to email the newsletter and generate the mailing labels. The membership renewal process at the start of the year and the Two Day Rally registrations worked well with many members and riders taking advantage of the online payment facility.

ELECTION OF OFFICE BEARERS

The President vacated the chair and Mr Ross Eaton took over as Returning Officer, and thanked Bob and the Committee for their good work, then declared all positions vacant and called for a new Committee.

Ross praised the work of the outgoing committee and said that they all did over and above what was expected of them. Ross also said he thought the 2015 2 Day Rally was the best ever

The following Members were elected to the Committee for the next 12 months:

Machine Examiners

Ray Buck (D of T approved), Murray Rudler, Doug Craigie, Brian Cartwright, Bernie McCormack, Colin Batley, Eric Lawrence, Darryl Warner (BSN area), Graeme Squires (Mandurah area).

Ray Buck advised that this will be his last year as DOT approved machine examiner.

Eddie Laing also advised that he would not be re applying for nomination as Property Manager because "his body is breaking-down".

Norm Hart said that his job as Dating Officer was becoming increasingly more difficult with information about machines being difficult to obtain.

The Returning Officer thanked the new Committee for standing for office and wished them well for the coming year.

The new President Bob Brittain then took the chair.

FIRST AID COURSE

Dear Faye,

To let you know Daryl, Eric, Keith and his partner from Manjimup and I for the IHC attended the Safety First for Motorcyclists course at the Highway hotel in Bunbury last Saturday.

The course had about 16 total, from various motorcycle groups. The course was very informative and a great deal was learnt by all of us in what action should be executed when arriving at the scene of an accident involving a motorcycle/s and rider/s.

The course was sharply underway at 11 AM and finished around 4.15PM included a 30 minute break for lunch about 1PM. We were treated to what to do in what order to achieve the best outcome for the rider and any other either attending or involved in the accident. The course started with a general talk about

motorcycle crashes, different scenarios, and so on. It then moved to what as attendees the roll of each person should take. There is a recognised procedure and emphasis was placed on making sure the correct procedure was adhered to. What to check on the scene how to attend to the victim/s who to contact and the first aid to be administered awaiting the appropriate trained first aid people IE St John Ambulance crew.

After the luncheon break we given demonstrations on how and when to place victims in varying situations for the best of their health. This took the course of demonstrations by the trainers and roll playing and being hands on for the course participants practice of learning to use the correct methods.

All in all the course was excellent, well worth the investment by the IHC in providing the opportunity to let some of the members be informed in the correct procedure of handling an accident involving motorcyclists.

On behalf of those that attended for the IHC, I would like to thank the club for its generosity in paying for us to attend and I think in future if the chance arises maybe next year the Management committee look at trying to send more to similar or the same course. If the committee would like to, I would be pleased give a general talk on what we learnt, maybe a general meeting would be best.
