PRESIDENTS REPORT

New Rules and by-laws were discussed and accepted by the Committee and posted on the website for members to read and comment on. Members have until the 8th May to contact the secretary in writing with any comments for or against the document. Those members who don't have access to a computer can contact the Secretary to arrange a hard copy, but it is asked that if you can read it on the web please do so rather than asking for a hard copy, because they are expensive to print.

We will have a special resolution at the meeting on 13th June 2017 to put these new rules & by-laws into place.

Two new tents have been ordered with not much change out of \$4,000. They feature our green & gold club colours on the top with white back & side walls.

The Indian Harley Club (Bunbury) Inc logo (the one featured on the front of Classic Vibrations with the Indian & Indian Bike) will be printed on the back wall surrounded by different makes of motorcycles in several colours.

Thank you to Bolt for providing the artwork.

Julie Jasper has embarked on a year-long ride around Australia on a 1942 Indian Scout to raise awareness and funds for troubled youth. The details of Julies trek is posted on the Website.

CAPTAINS REPORT

Busso Mid-week Ride Report 15 Mar 2017

After Tuesdays bad weather I did not expect to many to turn up, and they didn't! Only 7 bikers turned up. As it turned out, the weather was good.

Brian led us on the ride heading east on Bussell Hwy into Tuart Dr, Ludlow North Rd, Mallokup Rd to Capel, then along Goodwood Rd to Donnybrook for morning tea. From there we headed along Upper Capel Rd to Kirup, here the only Bunbury rider headed for home, the rest headed along South Western Hwy, Cundinup Rd, and Vasse Hwy to Busselton arriving about 12:15 PM.

It was a good ride with no mishaps or losing any one. **Peter Whiteside**

Mid-week PM 15-3-2017 22 Riders 1 Passenger

Perfect weather today for our first PM Ride for 3 months which took us through Australind, Kemerton, Benger, Wokalup to Harvey which was our destination today.

Following rain the previous day the aroma of the cattle was second to none and with a few rough roads thrown in it made you feel alive.

After taking over Stirling's Cottage with coffee and cakes the order of the day, the

group spent a pleasant hour chinwagging.

When leaving Harvey we noticed Clappy having a nice conversation with Mr Plod who advised Superman to slow down in school zones and then proceeded to relieve his wallet of \$100, luckily no demerits though.

Bert's Breakfast Run 26-3-2017

There were only 9 riders and Sandy Eaton drove to the breakfast destination Evedon Park. The weather kept a lot of riders away. I did not attend the ride but it was a beautiful route out of the BREC Carpark and then along Koombana & Estuary Drives, and Willinge Drive towards Dardanup.

Then following Crooked Brook, Ironstone, and Pile & Henty Roads towards Evedon Park in Lennard Street where the die-hard riders who braved the inclement weather stopped for breakfast. The breakfast was highly recommended by the riders with Richard Clark saying his omelette was the best he has ever had.

Faye Carn

Mid-week Am 29-3-2017

13 Riders enjoyed a great ride through the back roads of Harvey to enjoy a great morning tea at Brockman Dam between Harvey & Warroona. This is always a popular place to stop for the club with a great selection of food on offer.

Faye Carn

Glen Britza Run 2-4-2017

27 Riders enjoyed a great ride mapped by Glen in perfect riding conditions. Most of the riders brought out there old bikes which was great to see.

Some of us were on our modern bikes and were in no way held up by the older machines, which set a cracking pace.

The ride exited out of the BREC Carpark onto Blair Street, and proceeded along Koombana Drive and then onto Estuary and Willinge Drives. We then headed along Outer Ring

Road, before turning into Moore Road and Dardanup West Road. We proceeded along South West Highway before turning into Payne Road and then right at the "T" Junction into Boyanup West Road, and then left into Elgin Road.

We proceeded into Railway Road at the X roads, then along Malatesta Road and Bentley Drive. At the "T" Junction of Bussell Highway we turned right and then left into Roberts Road, left into Mallokup Road and Right into Ludlow North Road to arrive at The Peppermint Beach Caravan Park Café for morning tea.

The owners of the Café were genuinely pleased to have us there, with the children excited to see all of the bikes. It was a great ride and destination with plenty of seats in the shade out of the hot sun.

Thank you must go to Glen for sacrificing a bike ride to do Back-up and organising the ride and to Bert for organising and using the scanners at the start and finish of the ride.

Faye Carn

Busso-Mid-week Ride 5 Apr 2017

A good day for a ride, 13 bikers turned up for the ride, very conspicuous by their absence, was the fairer sex! Not very often that we don't have at least one female with us.

Brian led us off along Vasse Hwy detoured along Cundinup Rd to Nannup stopping for fuel and a break. We then headed towards Bridgetown turning at Maranup Ford Rd passing through Greenbushes to Balingup stopping for morning tea (or was it lunch!) and fuel. (Always good pies at Balingup)

From there we headed to Kirup along S/W Hwy turning into Brookhampton Rd, along here at Wildmere Rd the Bunbury mob parted with us to head home, we carried on to Donnybrook then along to Capel via Goodwood Rd taking the back roads home, Stirling Rd, Tuart Dr and Layman Rd to Busselton. A good ride with no mishaps,

even if it was a bit long, 250K.

Peter Whiteside

Glen said that he will be organising the **Mid-week Pm Run** on Wednesday 12th April to Collie in Leith's absence.

Peter & Ann Offer have offered to host the riders at their place after the **Don Collins Run** on 7th May 2017.

Bill Pike said the **Mega Motoring Extravaganza** on the 19th March was not as good as expected this year, and the general feeling was that we will not support it in future. The event is on the same weekend as our 2 Day Rally next year making it impossible for us to take part.

The **Harvey Show** is on the 29th April and because we asked the show if we could participate it is hoped that as many bikes as possible can attend to make a great display.

The pleasing news is that our trade space is away from the noisy smelly engines. Bill has 30 free passes which will be handed out on the morning of the show before leaving Australind. Bikes will leave the BP Service Station in Australind at 7.45am so that they can be set up at the show by the time the gates open at 9.00am.

Ross & Faye will take the trailer with the Tents.

LICENSING LIAISON OFFICERS REPORT

Changing from A Class (full license) to B Class (Code 404)

The procedure for "B" class concessional licensing is as follows: A Current "A" Class license paper will be required to show the Examiner. The Member then contacts ANY IHC Examiner who carries out a Compliance inspection of the vehicle and compares it to the license papers.

He completes and authorises a CMC1 (Certificate of Financial Membership) Form, then passes a copy of the CMC1 to the club Licensing Liaison Officer (LLO) who will then enter it into the IHC Official Register.

The Authorised CMC1 is then issued to the applicant to take to the licensing authority (along with any license papers or other proof of ownership) to complete the licensing process.

The licensing authority will require the applicant to complete a form E81 (license concession form). This is a formal declaration that the vehicle is to be used only for club sanctioned use and will be properly maintained in a safe and unmodified condition.

On completion of the licensing, the applicant then attaches a yellow "HISTORIC" plate above or below the number plate. (Available from the club treasurer at club meetings). The vehicle is then ready to participate in club events.

Jeff said that if you are coming up to age 85 and have received a medical form from the Department of Transport it is in your best interests to contact him so that he can advise you on filling out the form.

If you are going on a ride that is longer than your 30 klms test rides, email the secretary and this becomes a formalised impromptu ride and will safe guard you if you are pulled over by the law. Just take a copy of the email with you and you can produce it if you are pulled over.

There is also a form for impromptu rides on the documents page of the website.

GENERAL BUSINESS

Donations

Thank you to Mike Reeve who donated an Albany Hill Climb Banner which was auctioned at the 2017 2 Day Rally and sold for \$60.00.

Mike also donated an Australian Tucker Bag which will be auctioned at the end of tonight's meeting.

RSA Training (Responsible Service of Alcohol)

We need members to do RSA training so that we have plenty of staff to work in the bar at our Two Day Rallies.

The training can be done online and the cost can be recouped from the Club Treasurer.

New Starting Points for Bunbury Runs

Bunbury's increasing traffic has forced us to think about new starting points for our runs, the Dolphin Centre and BREC Carparks are becoming too busy to accommodate our bikes.

The following venues have been suggested, but it will be discussed further at the next Committee Meeting.

Carpark on the corner of George and Stuart Streets

The Forum Carpark

Eaton Foreshore Carpark

BP Australind Carpark.

Richards Run & Presentation Day

Numbers are needed as soon as possible for members who will be attending the Presentation Day on the 28th May for catering purposes. Members can register and pay on the website.

Donnybrook Apple Festival

The Club has been invited to a Show "n" Shine at the Donnybrook Apple Festival which is on Easter Saturday a bit late notice to organise anything but if members wish to take their bikes it is a sanctioned ride. They are offering lots of great prizes for the best bike in all different categories.

Wheatbelt Run Saturday 30th September – Monday 2nd October, 2017

Ross said that he has hit a snag with his Wheatbelt Run organisation with the 55 bed Hyden Motel being booked out all ready for Sunday 1st October with a bus group. The original plan was that we stay 2 nights in Hyden visiting different interesting landmarks. He will rethink the venues and get back to us.

Watch this space for details.

Terry Germain and Peter Whiteside visited Ron Leech in Busselton Hospital and although he has lost a lot of weight and some memory (which he admits to); he is as bright as a button. Members can visit Ron in Ward 2 of the Busselton Hospital.

Thanks must go to Terry Germain who has helped John Wright, another member with failing memory, to hand in the plates of his motorcycles.

Committee Positions

Nomination forms can be found in the May magazine for Committee Positions. Please consider nominating for a position on the Committee and send the completed form to the Secretary before the General Meeting on 13th June 2017.
