## **PRESIDENTS REPORT**

### **IHC General Meeting – 9<sup>th</sup> April 2019**

Welcome to the IHC April 2019 General Meeting. Summarise the salient events for the month and outcomes of the previous committee meeting:

### **The passing of one of our foundation members**

It is with sadness I advise that one of the club's life members Bill Beaton has passed away.

### **Motorbike Jump Starter**

As mentioned at last month's general meeting the club has now purchased an electronic jump starter to be included in the back up trailer equipment.

### **AGM**

I mentioned at last month's general meeting of the upcoming AGM on the 9<sup>th</sup> July. All office holder committee positions and ordinary committee positions will become vacant and will be required to be filled. I now encourage you to put your application in to the secretary for a position on the committee.

The principal position becoming vacant is the position of secretary, this is an important position and if the club is to continue this position needs to be filled. Please give this some serious consideration.

Most welcome to discuss any of the positions with the incumbents for a greater perspective of the role. The job description is also listed in the club By-laws.

### **National Veteran Rally 2021**

Although this event is some time away planning has already started to host this event in WA and Manjimup has been selected as the venue for the event.

An IHC sub-committee has been formed and activities are already commenced, if you would like to receive more information about this event contact the Vice President Michael Rock.

### **Two Day Rally Learnings**

Listed below are the salient learnings and discussions points from the 2019 two-day rally.

**Due to the increasing popularity of this event it is recommended to increase the maximum participants to 200 up from 180.**

Increase liquor licence to 250 patrons and include the BBQ area within the licence.

**Some signs were stolen and will need to be replaced.**

The most significant issue revolves around late entrants and non-entrant riders expecting to ride over the weekend and enjoy the benefits afforded by those who have paid and do the right thing. Whilst this is difficult to stop strategies will be employed to minimise this from occurring.

**Many motorcycles who were clearly not registered as an open licence participating in the event did not display the required “Historic” plaque adjacent to the rear number plate.**

**Bill Pike**

President IHC

## **CAPTAINS REPORT MARCH 2019.**

### **Busso Mid-week 6th March**

A good turn up today a little cool but good for bikes, good to see Terry out and about but he went home, today's ride was to Dunsborough via the back roads. We stopped at the bakery for a pie for a change.

After we went to Cape Naturalist to give a little more ride time. Finished at the car bay on the Busselton Bypass. Thanks to Darryl & Pete for the day out.

### **Harris Dam 13<sup>th</sup> March**

19 bikes & 1 passenger turned up, perfect Autumn day for a ride to Collie. We took a steady ride through Ferguson Valley up Pile Road to Collie then on to Harris Dam.

Lieth and her team were waiting at the bottom of the dam wall with tea & sandwiches, a good ride enjoyed by all.

After morning tea, some went to the top of the dam wall to see the view, we then made our own way home. Thanks for the morning tea.

### **Capel Bakery 27 March**

18 bikes & 1 passenger turned up, nice sunny morning for a ride to Capel Bakery the long way around, approx. 115km.

The ride went out towards the Bunbury Speedway to Gelorup, down Lillydale Road then on to Bussell Highway for a short while. We then turned off at Roberts Road through the Tuart Forest, coming out just before Busselton. From there, down Sues Road and through the back road to Capel.

The Capel Bakery were told in advance, so they were ready for us and all were fed. A good morning ride for all.

### **Busso Mid-week Ride Report 3 Apr 2019**

14 bikes turned up for the ride, one being a visitor. The weather was ideal for riding, not hot and not cold, perfect. We set off on a ride to Donnybrook (with John L leading) down Vasse

Hwy turning into Cundinup Rd to Kirup and along the South Western Hwy to Donnybrook for morning tea.

After morning tea, the group split up with some making their own way home the rest headed north along South Western Hwy turning into Lowrie Rd, Boundary Rd, Gavins Rd, Stirling Rd, Ludlow Rd, Tuart Dr, Layman Rd to Busselton.

A very pleasant ride, thanks to John (leader) and Terry (tail end charley)

### **Bernie McCormack**

Bernie advised he has received a request for about 6 bikes to be taken along to Bethanie to show the residents on a Wednesday afternoon.

### **KEEP the SHINY SIDE UP**

This is from Johnny Clapp, who up until today was in the habit of spraying that shiny aerosol shit on his tyres to make them look nice! Today he and his machine parted company.

This is what he sent me: A small tip from Superman - If you spray Tyre Shine onto your tyres, not only does it give them that nice wet look, and enhances the appearance of your wheels in general ... It also makes it far less difficult to dismount your machine... in particular when cornering on bitumen. "BEWARE".

Superman knows this first hand !!!!

His nickname is Superman!

(Thanks. Happy Birthday Richard)
