MINUTES

Minutes of previous meeting, as printed in the **October** edition of Classic Vibrations, were tabled and received by **John Keenan**, seconded by **Syd Taylor**. Carried.

Business Arising

Richard Clark stated that he had sent an apology and a Property Officer's report to the secretary's email address, but they hadn't appeared in the newsletter.

Peter Hume then said that the email address in question didn't work correctly.

John Presland said that the email address did

work but mail might be sent to the junk folder in some computers.

Junk folder is to be checked for non-junk emails in future.

A check of the Secretary's inbox revealed that the email had been received, and while the issue of the old club photocopier had been dealt with at both committee and general meetings, Richard's apology for missing the September meeting and the Property Officer's report has been omitted from the newsletter.

John Presland stated that AM rides started at 9.00am, not 9.30am as stated in the Presidents Report, published in the October Classic Vibrations.

PRESIDENT'S REPORT

IHC General Meeting – 8th October 2019

Welcome to the IHC October 2019 General Meeting. Summarise the salient events for the month and outcomes of the previous committee meeting:

Margaret River Show

The following has been organised for the Margaret River show. The show is on the 19th of this month Neville Green and Eddie Lang will be taking the back-up trailer and for those who are riding down to the show please meet at the information bay at 0830 hrs just prior to the Gelorup Caltex servo on the Bussell highway. If you want a lift down, see Neville or Eddie.

Code 404 Audit

We still have 31 members who have not responded to the licence and registration audit.

A reminder to those that have not responded that the IHC has a responsibility to ensure all club motorbike registration records are current and accurate, failure to comply with the IHC requirements is not an option.

Membership Fees

A reminder that membership fees are now due.

Impromptu Rides

A reminder to those organising impromptu rides that your bike (and all those participating) registration details need to be added onto the form, the form will be updated soon.

Motorbike Parking in Designated Car Bays

It has recently come to our attention that in most local shires it is illegal for motorbikes to park in designated car bays.

Different council by-laws mean there is not one consistent approach to the issue of parking for motorbikes in this state particularly multiple riders. This issue is not just related to our club but every motorcycle rider in WA.

Parking your bike in a designated car bay can result in an insurance claim being rejected in the event of an accident as has happened recently.

The committee has undertaken to seek more information regarding this matter and will keep you posted as to the possible options.

CAPTAIN'S REPORT

September 2019

Busselton Mid-week Ride 18/09/2019

Only the very brave fronted for this ride; cold and the threat of heavy rain. Shame, as the ride was on new ground via the fantastic Ferguson Valley.

The destination; Beach Kiosk Koombana Bay, well, we learnt something important, like it doesn't open on Wednesday, no problem, the café at the nearby Dolphin Centre sufficed.

The brave four – Peter Whiteside, Geoff Miller, Terry Bruce and I - had an almost perfect dry ride. OK, so we did miss a few turns and the back-beach road works and detour wasn't planned, but overall, we all enjoyed the event and the camaraderie.

Thanks to Richard Clarke for the welcome to Bunbury.

John Lewin
Busselton Group Liaison Officer

Wheatbelt Ride 2019

We started the weekend with a top day for a ride, we meandered to Collie Via Pile Rd, then on to Williams for early lunch, then to Highbury Pub to see the Grand Final just about a

non-event.

Great to see the tavern and enjoy a drink then 1st night at Dumbleyung Inn. Always made welcome a sweet man was disappointed that Bert was missing. But it was a good night out telling stories for a change.

Day 2, we went along Tincurrin Rd just been tarred. I was surprised there was a town called Tincurrin as we passed the school and saw all the houses. Next stop was to Wickepin where the tractor graveyard is and had a look at the old house in town.

Next town was Bullaring a 1 horse town looked good and took pictures of the men's shed they made a gun on some tracks, then on to Yealering for our second night where we met up with Tammy & Bob and friends all had a lot to say, but still a good place to visit. It was so hot the locals were swimming in the lake.

Day 3 back to Wickepin but someone forgot to fill their bike and ran out 300m from the fuel, but it was all downhill. Next stop was Williams where the Mandurah Members peeled off, we went through Darkin, Collie and made it to Forrest Hwy where we unpacked the bus and went home a very enjoyable weekend away.

Leith's Long Run

Another sunny day but cool, not a bad turn up, with John handing out the route sheets, then 9 O'clock came and the riders brief was done.

We meandered past the estuary and came out on the Hwy where we enjoyed the 110kph to blow out any cobwebs then turned off to Harvey Golf Club.

From there we enjoyed the cows and green grass no dung beetles yet, we got to Waroona for a 15-minute stop Glen only got there 3rd piped at the post again. Next the

narrow winding roads to Coolup, these are good very scenic.

At Coolup we were greeted by Leith with a lunch always welcome and proceeded to tell stories. The route home was do the route sheet in reverse Thanks Leith for the day out.

GENERAL BUSINESS

Bert Sykes

Best interest rate available for reinvesting the \$50,000.00 term deposit is 1.8% with P&N Bank. **Neville Green** proposed that the term deposit be reinvested with P&N Bank. Seconded by **Jeff Smith**. Carried.

Phil Bussanich

Next Busselton Ride would be to Augusta, this might be a bit too far for the Bunbury based riders.

Neville Green

Eddy Laing would be taking a trailer to the Margret River Show. There are three positions available on the trailer for people to have their bike transferred to the show. Passes for the backup crew need to be obtained.

Ray Jordan

Would be selling pressed penny key rings to raise money for charity. Key rings would be available for purchase after the meeting.

Tickets were also available for a handmade clock that was being raffled for the same charity.

Phil Bussanich

Phil stated that he had had no trouble paying his membership online, but Terry Bruce hadn't been able to.

John Presland explained that there were two different methods for paying the fees. One for members who received their newsletters by email and those who didn't.

Based on that information, Terry will have another go at paying online.

Ann Offer

Some ladies were having trouble in paying for the Ladies Christmas Dinner online.

John Presland

If members are not receiving the club newsletter and other correspondence by email, but would like to, they should let John know and he would arrange it.

Richard Clark

Needs transport for his bike down to the Albany Hill Climb. The tightening up of

weight restrictions on towing means he can no longer carry the bike in his caravan.

Ross Eaton

Enquired into the progress of Bob Rees, following the tragic accident in Africa which resulted in the death of his wife Chris.

The last information received was an email to Bill Pike on 9th September 2019. In it the corresponded states ***“Bob was transferred to Fiona Stanley Hospital Rehab, has had a thorough assessment concluding that he has an incomplete spinal injury and will start intensive physio this week with the intention that he will walk again.”***

Terry Germain

Terry reminded the members of the Busselton VCC Rally being held on the 2020 Australia Day long weekend. Entry forms for the event would be available from next month.

Rob Harrold

Informed the members of the Tony Hynes's success at the recent Australian Historic Road Racing Championships held at the Collie Motorplex recently.

Tony won the Series 2 Championship, riding Ian Boyd's A Series Vincent, and was runner up in both the Series' 5 and 6 championships.

Tony was supported by his pit crew of Bernie McCormack and Jorge Todoroff.

Rob also mentioned Russell Jeffery, who was the senior flag marshal for the championship and did a very good job.

AUCTION

Ray Jordan auctioned a collection of Triumph memorabilia and a DVD of the 2016 Two Day Rally, for a total value of \$22.00.

There being no more business, the meeting closed at 8.45pm.

Steve Armstrong.

CAPTAINS REPORT AUGUST 2019 **Mid-week Run Blackwood Daily Grind**

Good to see blue sky but only 3 people turned out for the run to Blackwood Daily Grind. Never mind still a good day out.

We got just out of Picton to road works where Richard turned his bike off bad decision, with the battery on the way out just got it started so he went home. So now down to 2.

Made it to Preston Store and picked up Phil and we meandered to Mullalyup to try out the new Cafe. Very nice had some lunch and headed to Donnybrook to annoy Michael trying to make mudguards when John turned up with a spare coffee, Thanks John.

From there we headed home a good day out.

Busso Mid-week Ride 21st August

I was unable to ride myself, still recovering from meeting a kangaroo on Sues Road last month. So, regret I can't give a gripping narrative.

John Hilton stood in as ride leader and Terry Bruce was the TEC. I believe the ride was via the Chocolate Factory and Margaret River and it was held in fantastic weather. I expect to be riding again in about a weeks' time. Regards
John Lewin

4th September 2019 Mid-week Ride.

Some 7 brave members fronted for the ride, all done up in their best wet weather gear.

And it was needed. So much for nice September spring weather.

And it was great for me to be back on the bike after my recent meeting with Mrs Kangaroo on Sues Road. Nice new front bits on the Honda and I'm 90% healed.

Our ride destination – the Berry Farm – and for any type of warm food and hot coffee.

The 67K direct road course was expanded to 92K being via a whole heap of interesting roads with the last 300 metres over lovely wet sloppy gravel. We were made welcome by the manager who showed us where we could park undercover and on a flat concrete. Great. No more parking in the sloped gravel car park at this place from here on.

Thanks to Terry Germain for being our TEC and to the members who added to my joke bank, especially Bob Fursdon for the one about the lady with ten kids.

John Lewin

Busselton Group Liaison Officer

Spring Rally 2019-09-08

A good start 26 bikes turned up for a ride around Wellington Dam. The start was a little slow as people had a lot to say. But with the twisty roads ahead and a sunny day all was good.

A short stop at Potters Gorge then on to Honymoon Pool, then gravel or tar road to choose from and a stop at Wellington Mills for a cuppa and sandwiches before heading to Dardanup all up a good day.

Cheers Manji Mob.

LAKE PERKOLILLI RED DUST REVIVAL 2019

One of the questions which I was regularly asked at the Lake Perkolilli Red Dust Revival was whether we'd produce a book of the event. We had commissioned Sharon Smith, an accomplished photojournalist and others to record the Red Dust Revival for us.

The result is a stunning full colour photographic book of 208 pages, packed with 350 images of cars, motorcycles, ultralights, aircraft, land yachts and, most importantly, the people at Perko who made the event so great.

The book, is limited to a print run of only 500 hardcover copies and will be available in December, advanced orders can be purchased online at **www.motoringpast.com.au**. for a **special price of \$99** including postage anywhere in Australia.

The recommended retail price after the book is published will be \$120 plus postage.
