CAPTAINS REPORT

Captains Report September 2021

15th August Captain's Country run another beautiful day no rain just a little cool. To Lake Kepwari with our riders, good to see no break downs and going through the Ferguson Valley Turn left at Preston Valley store then next turn to McAlinden Rd Still stunning countryside this time of year then into Lake Kepwari where Richards bike did not want to leave so on the trailer. The ladies made some lunch, and the cuppas were welcome.

After our break most of the people went on to the Collie racetrack to find more people to chew their ears off. All good ended the ride at Dardanup bakery to celebrate the day. All up a good day out.

Bolts Run Feta to Fergie 2021

Has been completed, nice and cool no rain good for the old bikes, not a huge roll up but still a good day out enjoying the Southwest, This year mostly BSA bikes with a Norton & AJS. First leg to Harvey cheese that was good enjoying the green countryside as we just had a small group, we kept together so nobody would get lost. At Harvey cheese most people had a

coffee & cake. From here we went to Burekup next Pile Road then onto Dardanup pub for refreshments. All up a good day out thanks to all that made this happen.

Mid-week Run 25th August

Another top day out, this time we are going to meet up with the Mandurah Mob at Waroona bakery (where else) John had got the ball rolling with messages to the Mandurah people to see if they want to go for a ride. All good with the Bunbury crew met up at Waroona good to see a good turn up as the weather was good for bikes.

Our ride through the back roads seeing lots of cows but no problems with them. The roads being empty made the ride great only other bike riders had the same idea. After morning tea, we headed to Yarloop and headed south between the highways. We did the Mornington Rd loop where we stopped and parted ways. All up another good day out.

Tortoise Run 17th September

A little cool for this time of year and the threat of 1mm of rain to good not to go for a ride. Ross made the run to Balingup via Sandlewood Rd. Nearly made it to Balingup when Bob's bike run out of spark, so did the side road repair but no good. But we have John Paddy from Donnybrook got in touch and he is on his way.

So, I went ahead to pass on what had happened. The pie shop was good as per normal and it started to rain a heavy 1mm I went back to see Bob make sure he was picked up, but he was still there and asked for his coffee and told him I drank it. Running low on fuel took the highway to Donnybrook to fuel up, on the way I saw one of our members bikes in a barbed wire fence with Police and Ambulance. News got round that he was flown out. Get well soon. A big thank you to John K for picking up the bikes impressive mate.

Mandurah Mob Sunday Ride to Midway Farm Store

A good turn up with twelve bikes as the weather is getting warmer more people venturing outdoors, this time Graham made up a route sheet so nobody should get lost. Just a little drizzle for some people in the morning. 930hrs comes and we are on our way through Pinjarra past the pub turn off at Burnies Rd and into Coolup from there we went to Old Bunbury Rd then into Paul Rd to Midway farm store. All good no drama on this ride just nice countryside and listen to the old thumpers playing their tune. Got too Midway for a pie & coffee and proceeded to tell stories. All up a good day out. Thanks, Graham, for organising the route and the other people who made this happen.

Mandurah Mid-week Run 22nd September

Another beautiful day with all the insects you can eat, good to see the Mandurah Mob have put in extra rides to take the old bikes. We started in Erskine service station, with Graham made up a route around the countryside going next to the Cut and heading Estuary Drive then going to Lake Clifton very scenic this time of year. Old Bunbury Rd then to Ampol foodary. Where we told stories for a change from there we parted. Another top day out on the bike. Thanks to the Mandurah mob for the ride.

Wheatbelt Run 2021

Saturday was a bit on the cool side but no rain in sight, we caught up with Ross & Faye at Boyup Brook where Faye jumped in the girl's car for the rest of the run (I do not blame her)

no break downs as we made our way through Kojonup, the journey to Katanning. We had some time, so we explored the parks. Night came and the Demons won the grand finale. Feeding time with our group is always entertaining.

Next morning off to Corrigin the straight roads boring but after Lake Grace going through the twisty roads with the view of the water was good. A stop at Nyabing was good with Rod knocking back a beer (Rod must be feeling a bit off) no excitement with break downs and we reached Corrigin. First time at this place not too bad at all. With meal entertainment was a bit noisy this time round.

Monday woke up to a thick fog as we made our way home the closer, we got to the coast the harder the rain. But all was good a top weekend away nothing like it. See what happens next year. Thanks to Daniel for putting this run together.

Busselton Mid-week Run 6th Oct 21

It was a cool morning but no rain, this run was to Capel via the back roads, very scenic route as we went through cow territory. About halfway people started to peel off and went home maybe? Good to see more road works had been completed. We got to Capel and had a Coffee & pie for a change all up a good day out. Thanks to Peter to organise this ride.

Dennis Herrick thanked Ross and others (first responders) who attended his crash in the prompt way they alerted the emergency services. Spring Rally Trophy. Ross Eaton presented the Spring Rally Trophy to Dave Gaunt; he won the event by having the best presented bike, a 1991 Moto Guzzi Mk 5 Lemans. Well, done Dave.

Passing Member, Michael Rock stated that one of our members had passed an Alma Jarvis, who was a member for around 10 years and was a major contributor to our Two-Day Rallies. A minute's silence was held for her, and a condolence card has been sent to her husband David. The funeral was being held at 10am on the 14/10/2021 at William Barrett's Bunbury.

Michael Rock asked in situations like this, would it be appropriate for him to advise members in a group notification (email) of the passing and if members would be wanting to attend the funeral. The general membership was happy for this to occur. Norm Hart supported this initiative.

Welfare Officer, Frank Barron suggested that we should appoint a suitably qualified member to be our welfare officer. To support members who are ill or have partners who have passed away. Michael Rock supported the suggestion and asked if anyone was interested in the role to contact the club.
