## **Presidents Report**

Now that the AGM and all that entails is over, I really haven't had much to do! The weather hasn't really been up to going for a ride, so I haven't even done that!

At the last committee meeting, to which the committee invited the newly appointed Subsidiary Officers, we also had a fairly quiet night. The new committee members got to know how the club operates and what will be expected of them. The main thing we talked about upcoming rides and shows, and we'll have more of that in general business.

## **GENERAL BUSINESS.**

### **Rides and Shows.**

The next show on our calendar is the Waroona Vintage Machinery Show on Sunday 24 September. I believe it will again be held on the footy oval in the middle of Waroona and going by past shows it's a well-attended show.

Our property man Eric Lawrence will be taking his trailer, along with a couple of bikes and the tents and chairs for the comfort of those attending. It's a big trailer, so he will also act as back-up should anyone conk out on the way.

Some of the Mandurah Mob will be there and I'm hoping some of the Pre-48 group will also be there with some older machines so we have the chance to put on a good display.

Unfortunately for some at least, it's on the same weekend as our Wheat Belt Run, and the Motorcycle events happening in Collie. The club needs to reserve some space, so what I need to know is, who is interested in going? Can we have a show of hands please?

The next show we are committed to attending is the Bridgetown Show on Saturday 25 November. I will be talking to the organisers nearer the date to arrange a good space with plenty of room. Murray Rudler has undertaken to co-ordinate the day, and there will be more information nearer the date.

We will contact the Collie Motorplex again shortly with a view to arranging a weekend ride up there. As previously stated, we have been offered a deal comprising entry and lunch for about \$25 a head. Being a weekend run, we will not be able to have a crack around the track, as it is booked up months in advance. If we went on a Wednesday we probably could, but many of our members have jobs, which would obviously get in the way on a midweek run.

Captain Leithal is looking into a ride in place of the Albany Hill Climb in early November, there is a possibility of a joint ride between us and the Mandurah Mob, so more on that later.

And lastly, I would like to know what interest there is in arranging an off-road type of event again, maybe a hill climb or TT type event. Anyone have any thoughts or suggestions, bearing in mind that we will also need volunteers to organise it.

### **2018 Two Day Rally**

I know the next 2 Day Rally is still 6 or 7 months away, but it's time to get things started. In fact, some of the preparation work has already been done. What I am saying is, it's time to form a committee to run the 2 Day Rally, so if anyone is interested in taking an active role in next years' rally, come and see me, call or email me and we'll get it happening. The first meeting needs to happen most likely in September, so we need to get started now.

### **CAPTAINS' REPORT**

#### **Midweek PM. 12-7-2017. 6 damp riders**

Six hardy, intrepid riders (Richard, Peter H., Glen, Ross, John C. & John P) decided it would be OK for a ride to Harvey Dam for afternoon tea.

I had hastily written a route sheet for them with the help of Google Maps thru Picton, Dardanup, Henty, Burekup, Brunswick, Wokalup where they turned off to take Hocart Rd into Harvey, alas! The map didn't show me that cows would be herding down the road. While they were waiting in the cow-jam Glen asked John P. if the brown ones would have chocolate milk.

Consequently, poo covered bikes arrived at the dam for which I got the blame "I should have told them about the cows" They needn't have worried the rain didn't stop so it would have washed it off on way home. With intrepid riders, Faye & I, we had a very pleasant time leaving about 3.30pm.

Here I am back as the Captain for another year, **MY LAST YEAR AS CAPTAIN**. Welcome to the new Vice Captain Leigh Cresswell. Now you-all have two Leithals to obey.

#### **Busso Mid-Week Ride 19 July 2017-07-20**

The previous two rides have all been cancelled due to bad weather, and today's weather is no better! But I've had enough! I put on my wet gear and set off to our meeting point on the trusty A10 to find to my delight two riders willing to ride (though one had to go home to put his wet gear on as he thought that we would not be going) and two in cars to wish us well.

We set off down Ford Rd, L into Layman Rd, (there was a great black cloud in front of us but it was moving the same way as us so had to slow down a bit to make sure we didn't catch up with it) R into Tuart Dr, L at Bussell Hwy, R at Sues Rd, L at Wonnerup East Rd, L at Wan-nerup S Rd, R at Princefield Rd, L at Ludlow Hithergreen Rd straight over Bussell Hwy, right at Tuart Dr, L at Bussell Hwy, R into Spurr St, L at Goodwood Rd stopping for morning tea at the Bakery Capel. Just after we stopped the heavens opened up. "Good timing"

After coffee, pies and goodies out of the rain, we headed back down Goodwood Rd, R into Capel Tutunup Rd, R into Tutunup Rd, L at Ludlow Hithergreen Rd, Right at Vasse Hwy arriv- ing back at Busselton a bit after 11am and we missed most of the rain.

A good ride even if it was a bit wet and windy. **Peter Whiteside**

### **Mick Turners Rigid & Girder Ride 23-7-2017. 16 Riders including, 1 Guest**

Steve & I were amazed how many starters there were for this ride considering the weather conditions. 14 Riders departed just as rain decided to pour down. Ross E. arrived after bikes had left luckily, he was able to follow the backup.

John C. met the riders going along Koombana Drive. so was able to join at a roundabout. It was pretty much torrential rain riding to Donnybrook for smoko where Mick was waiting with a brew.

Journey back to Steve's was pretty direct with Britza 20 mins ahead of the pack (smelt the sausages) said he got tired of standing around at smoko. Once everyone arrived it turned out sunny and a good time was had by all. Thanks to Team Turner for their organisation of this event once again, also Alan Wells for providing back-up.

### **Midweek AM. 25-7-2017. 2 Riders**

Due to the inclement weather, complete with thunder & lightening I made a decision to cancel today's ride at 8.30am however on going to departure point 2 riders arrived just as the weather began to fine up, JC & Peter H.

As no-one else arrived they decided to head off to the Brunswick Bakery for morning tea. **OH WELL** you can't win them all. However, I believe they might have got a bit damp on the return journey. **WE CAME:** Peter Hume & John Coleman. **WE RODE:** To the Brunswick Bakery via Old Coast Rd, Paris Rd and Clifton Rd. **WE GRAZED & DRANK COFFEE:** For a while under cover. **WE WENT:** Home in the rain with a smile on our face. **JC**

### **Busso Mid-Week Ride 2 Aug 2017**

A good contingent of members turned out for the ride (13 bikes 2 from Bunbury) on a cold and cloudy day, but no rain, so all good. I led the ride on what I told the group was going to be a merry dance ride to Boyanup for morning tea/lunch a distance of about 103Ks.

We headed out Chapman Hill Rd after negotiating our way through Busselton CBD, L into Kalgup Rd, L at Acton Park Rd, L at Vasse Hwy, Right at Paterson Dr and meandered our way through the suburb of Via Vasse and Provence exiting R into Bussell Hwy from Joseph Dr, Right at Sues Rd, L at Wonnerup E Rd, R at Wonnerup S Rd, L at Vasse Hwy, L at Ludlow Hithergreen Rd, R into Tutunup Rd, R at Yoganup Pl to end of bitumen, U turned and returned to turnoff to Capel along Capel Tutunup Rd to Capel for a fuel stop.

From Capel, we headed out Weld Rd, East Rd, R at Gavins Rd, L at Boundary Rd, Right at Railway Rd to Boyanup for morning tea/lunch. After Brunch the 2 Bunbury boys headed home, Englishman John led the rest out Trigwell Rd, Boyanup West Rd, Bussell Hwy, Roberts Rd, Mallokup Rd, Ludlow N Rd, Tuart Dr, Laymen Rd to Busselton.

A nice ride apart from where we went through where cows crossed the road, Dave managed to hit a fresh cowpat and splatted the rider behind him? **Peter Whiteside**

### **Captains Long Ride. 6-8-2017. 18 Riders 2 Passengers.**

Oh no the Captain made a monumental mistake, I forgot to organise back-up for today's ride. So, fingers crossed we left riding thru Australind, Myalup, Harvey, Yarloop where horror of horrors Bill's bike broke down big time at Government Rd. While Ross stayed with Bill the new Vice Captain returned home and got his vehicle to transport bike and rider home.

Meanwhile the group continued to Waroona then backroads of Coolup eventually reaching Pinjarra for lunch. Ross eventually arrived for his pie & chips by which time everyone was departing. Originally this ride was planned for Boyup Brook however the weather forced a rethink and Pinjarra was the destination. Enormous thanks to Leigh & Janet for rescue mission and to Ross for keeping Bill company.

As I am off overseas again the Vice-Captain is being thrown in at the deep end, so I hope everyone will help Leigh out while I am away. Coming up in September is the Spring Rally/Poker Run which will be finishing at Muriel's for a sausage sizzle. Hopefully this ride will be well patronised this year.
