PRESIDENTS REPORT

Welcome to IHC August 2018 General Meeting, most of my time this month has been familiarising myself with all that is necessary for the President to do. I must also take this opportunity to publicly thank our previous President Richard Clark for his valuable input to assist me with the hand-over.

The new committee had quite a busy agenda at our first meeting with new items to address with some items carrying over from the previous committee. I will summarise the outcomes of the committee meeting:

Club Registration for GST

D Craigie raised the question as to whether the IHC, considering the requirement to raise the membership fees should register for "GST" to recover funds paid out for goods and services provided by others.

Following this request, I discussed in detail with Doug his scenario with the club he is involved in Manjimup. I also sought professional help from two separate accountants and spent a fair amount of time reading the GST laws surrounding Not for Profit (NFO) organisations.

Because the IHC is not deemed a sporting club in terms of the GST, if we went down this path then we would need to further increase the club membership fees to cover the GST payment submission, other events such as the Two-Day Rally would also attract an increase in the nomination fee.

Some sponsorship the club currently attracts would also require GST payment submission.

Because of all this research and analysis, based on last year's financial report the if we did register for GST then we would be slightly worse off financially.

The committee decided that it is not beneficial at this stage to register the club for GST.

Financial Budget

I will leave the detail of the budget reporting to the treasurer, however as previously mentioned I will be focusing the committee on the requirement to develop a 5-year budget plan both capital and operating to ensure the club has enough funds to replace any capital item and that operational spending is contained within the plan.

First step in this process is to review the assets register, determine condition, current value and replacement cost and timeline.

Timing of Committee Meeting

The committee reviewed the effectiveness of having the committee meeting the following week after the general meeting in terms of the volume of correspondence that the committee can respond to prior to the next general meeting. It was suggested that the committee meet one week prior to the general meeting (first Wednesday of the month) at least there would be three weeks of correspondence reviewed rather than the current situation of one week.

This was viewed in a positive light by the committee however the availability of the club rooms is to be investigated.

IHC Documentation

A complete review of the club documentation and signage is underway to reflect the new management and committee positions and recent changes to the IHC Rules and By-laws.

With the help of our LLO I have updated the Club Information Booklet which will be placed onto our website shortly.

New Trailer

The club's new trailer has now been insured and the property officer has kitted the trailer out ready for use.

I have asked the property officer to provide a set of keys to the club shed and the new trailer tool box to the following personnel,

Property Officer, Captain, Vice-Captain and President

Presentation Day Review

Due to the poor attendance at previous club presentation days the committee was asked to review the current format and propose new ideas. I understand several different ideas have been tried in the past with once again limited attendance/interest. The committee undertook to canvass club members to seek their thoughts on the presentation day format and report back.

Individual Event Sponsorship

To assist the club in its fund-raising activities T. Germain raised the concept of attracting individual sponsorship for club events. After some discussion the committee agreed that it would be pleased and grateful to receive these sorts of donations.

Membership Renewal

To ensure members understand the new club rules associated with membership renewal as this is the first year for this process the committee thought it prudent to provide as much forewarning as possible. I will summarise the process going forward

The membership renewal process will commence on August 22 so that invoices

can be included in the September edition of Classic Vibrations.

At the October, November and December general meetings I will remind members to pay their membership prior to 31st December.

A reminder notice will be placed at the top of the IHC home page and Classic Vibrations reminding members.

On the 2nd January if un-financial the system will cancel your club membership automatically and you will no longer be a member of the club and the DoT will be advised.

Note: Please understand the ramifications of any current concessional 404 licensed bikes you may have as a non-member of the club.

Donnybrook Easter Rally

The committee has endorsed the concept of the IHC supporting this event and I will ask the Vice President to discuss this event as part of General Business

CAPTAINS REPORT JULY 2018

Midweek ride PM

Went to Harvey via the back roads fell apart when gravel road appeared, turned around and went the highway.

Took to Harvey-Quindanning Rd so people can enjoy the twisty & scenic road, a 10minute stop at the gravel. then back to Stirling Cottage. Then free ride back. The road had 3Km of gravel but still a lovely road to use later.

Busso Mid-week Ride Report 18/7/18

Still not having much luck re weather for our ride day, (90% chance of rain) however we had 4 riders to day instead of 3 for the past 3

rides, so that is good!

We set off with light rain falling to Dunsborough via Bussell Hwy, Vasse Yallingup Rd, Quindalup Siding Rd, Mewett Rd, Commonage Rd to Dunsborough for morning tea. Pies and coffee of cause!

After morning tea, we headed home via Yungarra Dr, Biddle Rd, Commonage Rd, Hayes Rd, Vasse Yallingup Rd, Chain Ave. Wildwood Rd. Bussell Hwy, North Jindong Rd, Hairpin Rd, Kaloopup Rd, Rendezvous Rd to Busselton arriving about 11:45am.

We missed the rain coming back but Hairpin Rd had just had the shoulders graded up and was a bit muddy, so bikes will need a clean! However, a good ride enjoyed by all 4 of us.

Peter W

Mid-week ride AM 25/7/18

6 Hardy souls went for a ride to Crooked Carrot before the storms roll in. Luckily, they wore their wet weather gear. It was blue sky when they took off. With Leigh as the forward scout, found a short cut and gravel, got to the Crooked Carrot before the rain really started.

Busso Mid-week Ride Report 1/8/18

Another WWW day (wet and windy Wednesday), I'm beginning to think we are jinxed; the forecast was for gale force winds, thunder storms, heavy rain and hail. Not ideal for a bike ride.

Consequently only 3 riders turned out for the ride. Given the circumstances we decided on a short ride to the Capel Bakery for morning tea.

We headed off to Capel via Bussell Hwy and Tuart Dr (without getting wet) where we enjoyed morning tea while John L gave us a description of his ride (with 3 mates) from Busselton to Darwin in the Northern Territory then trucking their bikes back and flying home, very interesting.

We headed home via Capel Tutunup Rd, (it was along here we struck horizontal rain and hail) Ludlow Hithergreen Rd, Vasse Hwy arriving home about 11:30am

Peter

Drought Relief Ride (with Ulysses Club) Report 11/8/18

7 Members turned out for the drought relief ride on a cold but dry day. We headed up to Bunbury to join up with the Ulysses club at Millard Marine and Motorcycle Centre Halifax Dr where we were greeted with a sausage sizzle and the coffee van.

At about 12:30 after a briefing we headed off to Waroona (about 100 motorcycles) arriving at the Hotel where we enjoyed another sausage sizzle along with a raffle and an auction with some good prize's.

All up there was \$4000 raised to support the drought-stricken farmers over East. A good effort.

From there we headed home arriving about 4pm, a good and worthwhile ride.

Peter W

Captains Run to Honeymoon Pools

Went ahead, problems with the car park no one could find it to many signs & signal trailers in front of it, but Bert found it.

Thanks, from Leith & John to have a cuppa at Honeymoon Pool was very welcome, next stop at Dardanup Bakery.

Wheatbelt Run 2018

Lake Grace good for accommodation but the 2nd night at Cuballing only snoring & farting rooms available. Last time Kenny slept in the linen closet. JC has booked the TV room and wants the remote. I will be taking some stretchers. So far, all good.

Pm Ride to Jarrah King Tree.

Leith will be there with soup & urn. Picnic in the bush.

AM Ride to Preston Beach.

LIBRARIAN'S REPORT

All Quiet.

PROPERTY OFFICERS REPORT

The new trailer toolbox has been stocked with tools & tiedowns. The emergency contact numbers for the shed have been updated to reflect the new office bearers.

LICENSING LIAISON OFFICERS REPORT

Quiet – Murray is currently away.

WEBSITE MANAGER REPORT Nil

GENERAL BUSINESS

Michael Rock

The Donnybrook Apple Festival to be held over Easter on April 19 – 22 2019 is going to include a motorcycle display. IHC members John Keenan, Andrew Repton & Michael Rock are co-ordinating the display and are hoping to attract at least 100 bikes.

In conjunction with the display on the Saturday & Sunday. There will be rides from Bunbury, Perth & hopefully Albany on the Friday. It is hoped to have a bus to take riders on a tour of local wineries etc on the Sunday, with rides home arranged for the Monday.

The Apple festival includes entertainment on Saturday evening and the Donnybrook hotel has been approached for accommodation.

Bill Pike

The old timing equipment that is no longer used is to hopefully be sold. If any members know of another club that may be interested, please contact Bill.

Ross Eaton

Ross raised the possibility of having the mid-week rides set off in 2 groups – a faster one & a slower group. The membership agreed it was an idea worth exploring & Ross will be taking it to committee.

Terry Germain

Terry had a few copies of the history of the Collie Road Races available if anybody wants one.

An interesting list detailing production figures for various motorcycle brands during WW1 was presented for printing in Classic Vibrations.

A for sale item: Kawasaki GTR1000 engine blown \$750. For Classic Vibrations.

Barry Ray

Barry asked if it is possible to get prior advice of routes & destinations for mid-week runs as he lives in Balingup it would make it easier to meet the group along the way on occasions. Dave Lind advised that he is trying to add some of this detail to the events page on the website.

John Coleman

John suggested the fire extinguisher on the new trailer would be more accessible and would create space in the toolbox if it was mounted independently on the trailer.

Also, John suggested that a “Caution Slow Motorcycles Ahead” sign be fitted to the rear of the trailer. Eric advised that he is working on how best to do these things and will progress at committee level.

MEETING CLOSED - at 8.40pm

AUCTION

Several items were auctioned for a value of \$46
