Busselton Mid Week Lunch Rides

Our mid week of 20th July was run as a normal half day ride with the option of extending to an all day ride with lunch. 20 riders including one guest, Kevin Benson, who intends joining. We picked up the Bunbury crew at Capel, then travelled through Donnybrook and on to Collie for our coffee stop. 5 riders went home and the remaining 15 went on to Boyup Brook and the Bridgetown Hotel for a lunch. Great success and all enjoyed the lunch and beautiful dining room. After lunch we all went our various ways home. Total 300km. Great weather. We have decided to repeat lunch rides on the third Wednesday of every second month. Next one is on the 21st September. **Peter Mitchell**

Bunbury Mid Week 10th August

Well, I finally figured out the way to ensure a successful mid week ride. On my first try I led the ride and went too fast. The next time I did the 'Tail End Charlie' role and ended up going a different way to everyone else. This time I kept a low profile mid field and everything went smoothly! Sixteen riders enjoyed the ride to Brookhampton Hall where Leith and Faye provided afternoon tea. Many thanks Leith and Faye also to Neville (Leader) and Richard (TEC)

For Sale - 1974 CZ 175 Road/Trail type 477.0.

Bought in 1976 from a friend and rode it to work until 1980 when I went interstate to work. Basically remained stored in a garage until 2000 when I had the engine fixed (it had seized) and the broken speedo replaced. Since then it's only travelled 831 miles.

More recently I have spent time detailing the bike; mainly polishing and extensive cleaning. Everything is original apart from the indicators.

Busselton Mid-Week Ride

Busselton Mob Mid-Week Ride : 17th August 2022

A superb mid-week ride was held today; 8 fearless members enjoyed the 116 km adventure trip to Balingup. The weather was expected to be wet & stormy – hence the small number - but we just had the odd spot of light rain as we got close to the destination. So if you chickened out due to the weather threat, you missed out badly.

Stage one of the ride was to Boyanup to pick up Bunbury riders. Stage two was on mind-blowing back roads. As always, Balingup provided us with good coffee, cakes and conversation. Many lovely ride home options, but the Greenbushes, Nannup choice suited most. We finished with a beer at the Par 3 Golf.

Thanks to Brian Green for volunteering to be the TECharlie.

Muzza's Lunch Ride

Muzza organised perfect weather for his Pre '48 lunch run this year.

It started out pretty chilly at the South West Railway and Heritage Centre in Boyanup where 21 members bikes were displayed for the open day. The morning started to warm up by about 10 and was absolutely superb when we headed off for the ride at about 11. The ride took us through the back roads of Boyanup to Boundary and Lowrie Roads then the rough way to Hurst Rd and out to Crooked Brook and Ferguson into the Dardy for a tasty lunch and a few laughs.

Bunbury Tortoise Ride 12th Aug

It is well known that it never rains on a Bunbury Tortoise Ride, and this ride was no exception. After many days of rain a beautiful sunny (if cool) day welcomed 19 bikes and riders with 5 passengers. Whilst waiting in the car park of the Dolphin Centre we were entertained by club member Tony Hynes pruning the pine trees in Koombana Drive with his concrete truck.

What I like about these rides is the variety of machines that we see. There was everything from modern bikes through to a 1930s Levis. Everyone gets to have a ride at a modest pace through beautiful countryside. The destination was the Brunswick Bakery which always delights with quality cakes, pies and coffee.
